STAFF RECRUITED ON CONTRACTS

In addition to permanent officials, the European Commission often recruits non-permanent staff. There are two categories of non-permanent staff:

- [temporary agents](#) are recruited to fill vacant positions for a set amount of time or to perform highly specialised tasks.
- [contract agents](#) may provide additional capacity in specialised fields where an insufficient number of officials is available or carry out a number of administrative or manual tasks. They are generally recruited for fixed-term contracts (maximum 6 years in any EU Institution), but in some cases they can be offered contracts for an indefinite duration (in offices, agencies, delegations or representations).
