STAFF RECRUITED ON CONTRACTS

In addition to permanent officials, the European Commission often recruits non-permanent staff. There are two categories of non-permanent staff:

- **temporary agents** are recruited to fill vacant positions for a set amount of time or to perform highly specialised tasks.
- **contract agents** may provide additional capacity in specialised fields where an insufficient number of officials is available or carry out a number of administrative or manual tasks. They are generally recruited for fixed-term contracts (maximum 6 years in any EU Institution), but in some cases they can be offered contracts for an indefinite duration (in offices, agencies, delegations or representations).

Statistical Assistant

in DG ESTAT of the European Commission

Job title: Statistical Assistant

Domain: Balance of payments statistics and international investment position

Where: Unit C5 - „Integrated Global Accounts and Balance of Payments“, Luxembourg

Function Group: FG III

Contract Type: 3b

Express your interest until: 01.07.2024 - 12.00 (Brussels time)

WE ARE

Eurostat (DG ESTAT), one of the Directorates-General of the European Commission, is the statistical office of the European Union. Eurostat's mission is to provide high quality statistics and data on Europe.

Eurostat co-ordinates statistical activities at Union level and more particularly inside the Commission.

Unit C5 of Eurostat "Integrated Global Accounts and Balance of Payments" is responsible for the production and dissemination of high-quality statistics in the areas of balance of payments (BOP) and supply, use and input-output (SUIOT) data, widely used in EU policies and by national governments, researchers and the general public. Within Unit's C5 friendly and dynamic environment, a team of seven is responsible for the collection, validation and dissemination of BOP data.

WE PROPOSE

Unit C5 of Eurostat is seeking to hire one contract agent FG III - Statistical Assistant.

We offer a position for a contractual agent contributing to the production and dissemination of BOP statistics and international investment position (IIP). The selected candidate will monitor and assess the quality of data and metadata sent by Member States and EFTA countries to Eurostat, as well as the respective compliance with legal requirements.

As a member of the BOP team, it is intended that he/she contributes to the preparation of EU aggregates by running ad-hoc applications in MDT and R, and will be in charge of the IT aspects related to the implementation of new BOP Data Structure Definition. In addition, he/she will provide support and advice regarding the management of database issues, as well as the introduction of seasonal adjustment on quarterly BOP data.

Finally, the selected candidate will assist in the methodological work on BOP statistics, and represent the team in internal and external meetings, working groups and task forces (under the supervision of an official).

The position offers frequent contacts with other services of the European Commission, as well as with other EU Institutions, international organisation and Member States.

WE LOOK FOR

We are looking for a colleague experienced with macro-economic accounting frameworks and its underlying data and related data sources. Familiarity with BOP methodology (BPM6, OECD BD4) and with basic National Accounts (ESA 2010/2008 SNA) would be appreciated. The selected candidate will be asked to analyse methodological issues related to the macro-economic accounting frameworks and to present the results at various international fora.

The selected candidate should be familiar with Oracle, MDT and Business Objects. Knowledge of R would be an advantage.

The selected candidate will show multipurpose abilities and intellectual curiosity, as well as aptitude in handling figures and analysing information. He/she will have a strong sense of responsibility, initiative and service orientation. He/she should be able to work under pressure and show problem solving abilities when faced with unexpected situations and tight deadlines. Ability to work in a team, as well as good organisation and coordination skills, are crucial.

The working language of the team is English. Knowledge of other Community languages is valuable.

HOW TO EXPRESS YOUR INTEREST?
