

MAKE A DIFFERENCE - JOIN THE EUROPEAN COMMISSION

Do you want to help shape the future of the European Union? Make the planet greener, promote a fairer society, or support businesses and innovation across the EU? Then come and work for the European Commission where you can really make a difference!

Commission staff are a diverse group of people, who are motivated to help make Europe – and the world – a better place. They come from the 27 Member States of the European Union. Different nationalities, backgrounds, languages and cultures make the Commission a vibrant and inclusive place to work.

WE OFFER ATTRACTIVE WORKING CONDITIONS AND MUCH MORE:

- Interesting and challenging positions with plenty of opportunities for training and acquiring new skills and competencies throughout your whole career
- Opportunities to try several areas of work
- A package of flexible working conditions including the possibility of teleworking – we care about your work-life balance
- A competitive financial package, including comprehensive healthcare, accident and pension schemes
- A multilingual, multicultural workplace where personal and career development are strongly promoted
- Multilingual schools for your children

We recruit from a wide range of backgrounds and actively promote diversity and inclusion:

We do not only recruit political scientists and lawyers but are also looking for all kinds of profiles, including scientists, linguists, IT experts, data analysts and economists, as well as drivers and engineers.

We are committed to equal opportunities and to fostering a rich, diverse and inclusive working environment. We aim for our workforce to be representative of European society and strongly welcome applications from all qualified candidates. We actively seek to create a workplace where each staff member feels valued and respected, can give their best and can develop to their full potential.

To promote diversity and establish a geographically balanced pool of candidates, we strongly encourage applicants from Member States which are currently underrepresented in the European Commission workforce to apply. These Member States are currently Austria, Cyprus, the Czech Republic, Denmark, the Netherlands, Estonia, Finland, Germany, Ireland, Luxembourg, Malta, Poland, Portugal, Slovakia and Sweden¹. Recruitment will however remain strictly based on the merits of all applicants and no positions will be reserved for nationals of any specific Member State.

STAFF RECRUITED ON CONTRACTS

In addition to permanent officials, the European Commission offers non-permanent positions. There are two categories of non-permanent staff:

- **[temporary agents](#)** are recruited to fill vacant positions for a set amount of time or to perform highly specialised tasks.
- **[contract agents](#)** may provide additional capacity in specialised fields where an insufficient number of officials is available or carry out a number of administrative or manual tasks. They are generally recruited for fixed-term contracts (maximum 6 years in any EU Institution), but in some cases they can be offered contracts for an indefinite duration (in offices, agencies, delegations or representations).

¹ Please note that the list of underrepresented Member States may be subject to future amendment based on potential data changes over time.

Policy Officer

in DG MOVE – European Commission

Job title: Policy Officer - Member of Performance Review Board Secretariat - Single European Sky performance and charging

Domain: European Public Administration

Where: Unit MOVE.DDG2.E3 - (Single European Sky), Brussels

Function Group: FG IV

Contract Type: 3b

Express your interest until: 21.03.2025 - 12.00 (noon, Brussels time)

WE ARE

The European Commission is establishing the Secretariat for the Performance Review Board of the Single European Sky. The Secretariat plays a key role to support the Board with its tasks in relation to the functioning of the performance and charging schemes of the Single European Sky, the economic regulation of air navigation services and network functions in the EU. The advice provided by the Board is used by the Commission in its role of regulator for air navigation services.

The Single European Sky legal framework aims to improve the overall efficiency of the way in which European airspace and the provision of air navigation services is regulated, organised and managed in Europe. This is done to stimulate the capacity, cost-efficiency, environment (and as of 2030 also climate) performance of monopoly air navigation service providers.

The Secretariat for the Performance Review Board has important tasks to provide economic, legal, and technical analyses for target setting and performance monitoring of air navigation services both at Union and national levels, for benchmarking as well as for the determination of charges which are paid by airlines and ultimately their customers. Work includes data collection and data analysis as well as data dissemination. The Secretariat also provides administrative support to the Performance Review Board as well as to the National Supervisory Authorities Cooperation Board.

WE PROPOSE

The European Commission is recruiting 7 contract agents to join a growing team working in the Secretariat for the Performance Review Board of the Single European Sky in the below areas:

- a) economic regulation of network industries, charging principles, accounting rules, incentive mechanisms, financial modelling;

- b) environment, including flight efficiency and noise, aviation emissions;
- c) air traffic management operations, air traffic flow management, operational modelling, civil-military cooperation in air traffic management, communication, navigation and surveillance services, safety;
- d) technology (in particular SESAR) related to investments and operations;
- e) data analysis and IT.

WE LOOK FOR

We are looking for economists, data analysts and IT, aviation/air navigation experts, and legal experts for the Secretariat for the Performance Review Board of the Single European Sky.

The ideal profile for the job is for candidates with preferably a minimum of 3 years work experience in transport or work experience from economic regulation in other network industries. Knowledge from working in the area of Single European Sky performance and charging or economic regulation of network industries is an asset. The candidates should have good problem-solving skills, ability to communicate technical matters, openness to learn new topics and be a team player.
