

MAKE A DIFFERENCE - JOIN THE EUROPEAN COMMISSION

Do you want to help shape the future of the European Union? Make the planet greener, promote a fairer society, or support businesses and innovation across the EU? Then come and work for the European Commission where you can really make a difference!

Commission staff are a diverse group of people, who are motivated to help make Europe – and the world – a better place. They come from the 27 Member States of the European Union. Different nationalities, backgrounds, languages and cultures make the Commission a vibrant and inclusive place to work.

WE OFFER GREAT JOBS AND GREAT WORKING CONDITIONS:

- Interesting and challenging positions with plenty of opportunities for training and acquiring new skills and competencies throughout your whole career
- Opportunities to try several areas of move between different policy your career
- A package of flexible working conditions including the possibility of teleworking – we care about your work-life balance
- A competitive financial package, including comprehensive healthcare, accident and pension schemes
- A multilingual, multicultural workplace where personal and career development are strongly promoted
- Multilingual schools for your children

We recruit from a wide range of backgrounds and actively promote diversity and inclusion:

We do not only recruit political scientists and lawyers but are also looking for all kinds of profiles, including scientists, linguists, IT experts, data analysts and economists, as well as drivers and engineers.

We are committed to equal opportunities and to fostering a rich, diverse and inclusive working environment. We aim for our workforce to be representative of European society and strongly welcome applications from all qualified candidates. We actively seek to create a workplace where each staff member feels valued and respected, can give their best and can develop to their full potential.

To promote diversity and establish a geographically balanced pool of candidates, we strongly encourage applicants from Member States which are currently underrepresented in the European Commission workforce to apply. These Member States are currently Austria, Cyprus, the Czech Republic, Denmark, the Netherlands, Estonia, Finland, Germany, Ireland, Luxembourg, Malta, Poland, Portugal, Slovakia and Sweden¹. Recruitment will however remain strictly based on the merits of all applicants and no positions will be reserved for nationals of any specific Member State.

STAFF RECRUITED ON CONTRACTS

In addition to permanent officials, the European Commission offers non-permanent positions. There are two categories of non-permanent staff:

- **[temporary agents](#)** are recruited to fill vacant positions for a set amount of time or to perform highly specialised tasks.
- **[contract agents](#)** may provide additional capacity in specialised fields where an insufficient number of officials is available or carry out a number of administrative or manual tasks. They are generally recruited for fixed-term contracts (maximum 6 years in any EU Institution), but in some cases they can be offered contracts for an indefinite duration (in offices, agencies, delegations or representations).

For more information on different [staff categories](#)

¹ Please note that the list of underrepresented Member States may be subject to future amendment based on potential data changes over time.

Policy Analyst Biotech

in DG SANTE of the European Commission

Job title: Policy Analyst Biotech

Domain: European Public Administration

Where: Unit SANTE.DG.01 - „Policy strategy“, Brussels

Function Group: FG IV

Contract Type: 3b

Express your interest until: 26.03.2025 - 12.00 (noon, Brussels time)

WE ARE

The Directorate-General for Health and Food Safety (DG SANTE) aims to deliver to Europeans the peace of mind that comes with access to healthcare, safe food to eat and protection against epidemics and diseases. Our goal is to build and maintain Europe's high standards on food and feed safety, food sustainability, animal and plant health, as well as the most affordable, accessible and high-quality health systems to deliver on these expectations.

Unit SANTE.DG.01 – “Policy Strategy” reports directly to the Director General. Its mission is to assist the Directorate General and its Director General in the formulation and implementation of key strategic priorities in the fields of health and food safety, with an emphasis on forward-looking and interdisciplinary policy priorities, while ensuring overall policy coherence across the activities of the DG and alignment with broader Commission priorities.

WE PROPOSE

We offer a unique, challenging and very interesting position as Policy Analyst to play a key role in the development and implementation of strategic activities in the field of biotechnology.

The work will primarily centre around preparatory work and policy development in the context of the future European Biotech Act, as part of a broader Strategy for European Life Sciences.

Work on this key policy priority under the new Commission mandate will entail policy analysis, interactions with stakeholders, the assessment and formulation of policy initiatives as well as the preparation of input for and review of policy and legal documents.

WE LOOK FOR

We are looking for an experienced colleague with a deep understanding of the biotech sector in Europe, with a keen interest in shaping the EU policy in this domain. Although not strictly necessary, a degree in life sciences as well as private-sector experience in the field would be significant assets.

Special emphasis will be laid on the capabilities of the candidate to draft policy documents and the potential to develop a good understanding of the biotech ecosystem in Europe. Previous project management and stakeholder outreach experience is a significant advantage.

We are looking for entrepreneurial colleagues, innovators with an open mindset, a 'can do' attitude and strong problem-solving skills. The candidate should be at ease with working autonomously, prepared to develop their own initiatives, with the ability to make connections between technologies and policies.

Finally, we expect the candidate to actively develop solid professional relations across Commission departments and with a broad range of actors in the field.

A. Required

- Excellent analytical and communication skills
- Excellent drafting skills
- Capacity to grasp the multiple policy dimensions of biotech
- Knowledge of the biotech sectors and markets
- Good knowledge of EU institutional processes
- Excellent command of English

B. Desired

- Problem-solving and negotiation skills
- Project management experience

C. Personal qualities

- Self-starter
- Excellent organisation skills
- Capacity to work both independently and as part of a team

HOW TO EXPRESS YOUR INTEREST?

With a view to guaranteeing equal access to all, the Commission recruits from an open database of spontaneous applications. The present call for interests aims at helping the recruiters to identify potentially interested candidates within this database.

In practice, to express your interest, please follow the subsequent two steps:

1. If you are not registered yet in the open EPSO database, please do so at the following address: [CAST Permanent](#). Please select under selection procedures for contract agent the CAST permanent profile that best suits your education and experience.
2. You should send your documents **in a single pdf** in the following order:
 1. your CV
 2. completed application form.

Please send these documents by the publication deadline to SANTE-CONSULT-01@ec.europa.eu indicating the call for interest reference **EC/2025/SANTE/447237** in the subject.

No applications will be accepted after the publication deadline.

ANNEX

1. Selection

➤ Am I eligible to apply?

You must meet the following eligibility criteria when you validate your application:

Our rules provide that you can only be recruited as a contract agent at the European Commission if you:

General criteria:

- Are a citizen of a Member State of the EU and enjoy full rights as a citizen;
- Have fulfilled any obligations imposed by applicable laws concerning military service;
- Are physically fit to perform the duties linked to the position;
- Produce the appropriate character references as to suitability for the performance of the duties.
- Have passed an EPSO CAST in the relevant Function Group for this position. At the stage of the application, it is sufficient to be registered in the [EPSO CAST](#) data base.

Qualifications:

- (a) Have a level of education which corresponds to completed university studies of at least three years attested by a diploma.

Only qualifications issued or recognised as equivalent by EU Member State authorities (e.g. by the Ministry of Education) will be accepted.

Languages:

- have a thorough knowledge (minimum level C1) of one of the 24 official languages of the EU²
- AND have a satisfactory knowledge (minimum level B2)³ of a second official language of the EU, to the extent necessary for the performance of the duties.

² The official languages of the European Union are: BG (Bulgarian), CS (Czech), DA (Danish), DE (German), EL (Greek), EN (English), ES (Spanish), ET (Estonian), FI (Finnish), FR (French), GA (Irish), HR (Croatian), HU (Hungarian), IT (Italian), LT (Lithuanian), LV (Latvian), MT (Maltese), NL (Dutch), PL (Polish), PT (Portuguese), RO (Romanian), SK (Slovak), SL (Slovenian), SV (Swedish).

³ For details on language levels, please see the Common European Framework of Reference for Languages (<https://europass.cedefop.europa.eu/en/resources/european-language-levels-cefr>).

➤ **What about the selection steps?**

The selecting unit chooses from the EPSO database⁴ candidates with the appropriate profile and invites them to an interview. For the interview a selection panel is set-up to assess the best candidates. Due to the large volume of applications that we may receive only candidates selected for the interview will be notified.

For operational reasons and in order to complete the selection procedure as quickly as possible in the interest of the candidates and of the institution, the selection procedure will be carried out in English and possibly in a second official language.

⁴ Therefore, candidates who did not pass already a CAST on the level Function Group IV, should register their profile at this [address](#).

2. Recruitment

The candidate selected for recruitment will be requested to provide documentary evidence in support of the statements made in the database and, where relevant, the call for interest.

The successful candidate will be required to undergo a mandatory pre-recruitment medical check-up carried out by the Commission.

➤ Type of contract and working conditions

The place of employment will be in **Brussels**.

The successful candidate will be engaged as a **contract agent under Article 3(b) of the [Conditions of Employment of Other Servants](#), in function group FG IV**. General information on Contract Agents can be found at this link.

The grade or proposed grade range, as well as the step in that grade, will be defined on the basis of the candidates' previous professional experience, in accordance with [Commission Decision C\(2017\)6760](#) laying down the criteria applicable to classification in step on engagement.

The duration of the **first contract will be 1 year**. Subject to the interest of the service, the contract may be renewed one or more times up to a maximum duration of 6 years.

The duration of the renewal(s) will be defined according to the General Implementing Rules in force at that moment (currently, [Commission Decision C\(2017\)6760](#) on policies for the engagement and use of contract agents).

Contract agents recruited in Function Group IV have to successfully complete a 9-month probationary period.

The pay of staff members consists of a basic salary supplemented with specific allowances, including, where applicable, expatriation and family allowances. The provisions guiding the calculation of these allowances can be consulted in the Conditions of Employment of Other Servants. As a member of staff of the European institutions, your pay is subject to a tax raised by those institutions.

The European Commission applies a policy of equal opportunities and non-discrimination in accordance with Article 1d of the Staff Regulations.

Should you need further information on working conditions, please refer to [Working conditions and benefits of EU Careers](#).

For information related to Data Protection, please see the Specific [Privacy Statement](#) under “7. Information to data subjects on their rights”, to find your rights and how to exercise them in addition to the privacy statement, which summarises the processing of your data.
