Linguist Agent

Directorate-General for Translation (DGT) of the European Commission

Selection reference: DGT/COM/2025/755

Domain: Support Staff

Where: Unit A.1.MT.2 – Luxembourg

Staff category and Function Group: Temporary agent 2b/2d – Administrative Agent / Secretary

Grade: AST/SC 1-2

Publication deadline: 02.06.2025 – 12.00 (Brussels time)

WE ARE

Unit MT-2, based in Luxembourg, is one of the two units of the Maltese Language Department of the European Commission's Directorate-General for Translation (DGT). We are responsible for the translation into Maltese, from all EU official languages (mostly from English), of documents received from DGs, Commissioners' Cabinets and other services of the European Commission. We deal with legislation, policy documents, press releases and material for the public on a very wide spectrum of domains of relevance to the life of EU citizens. Some examples are health measures related to infectious diseases in humans, animals and plants; food safety and denominations; cross cutting environmental topics like global warming, zero emission targets, and energy technology; technological and engineering in the transportation industry; the digitalisation of life, artificial intelligence, cybersecurity and telecommunications; employment policy, education and culture initiatives of the EU, together with scientific research programmes; financial documents, taxation and statistics; and policy initiatives on defence and space.

WE PROPOSE

The main focus of the job is on processing efficiently the unit's daily workflow of incoming and outgoing documents (i.e. originals and translations, including versions), according to DGT policy and to the instructions received from the head of unit. A substantial part of the translation work is outsourced, and this involves different workflows, IT applications and processes. The job therefore requires constant communication with colleagues within the unit, other colleagues within DGT (such as the planning unit), the requesters (usually in other Commission departments) and external stakeholders (such as DGT's contractors). Another key aspect is providing support to translators so that they can focus on linguistic work. Lastly, the job also includes traditional tasks of secretarial support, but only occasionally. To support its workflows and linguistic work, DGT uses both off-the-

shelf software and bespoke IT platforms. In order to facilitate the integration of newcomers, DGT has a comprehensive training portfolio, particularly in the IT field.

WE LOOK FOR

We are looking for a dynamic and motivated linguist agent, with good command of Maltese, good IT skills (and eagerness to learn new IT tools), good communication skills and a service-minded attitude. You will be working as part of a small team of agents/assistants, and in close collaboration with the translators, in a mainly Maltese-speaking environment. You should be a committed team player but also able work autonomously and under pressure when needed. A good command of English is crucial for professional communication outside the unit and department. Knowledge of French would be an asset.

You should send your documents in a single pdf in the following order:

1. your CV

Please send these documents by the publication deadline to reuben.seychell@ec.europa.eu indicating the selection reference DGT/COM/2025/755 in the subject.
