

MAKE A DIFFERENCE - JOIN THE EUROPEAN COMMISSION

Do you want to help shape the future of the European Union? Make the planet greener, promote a fairer society, or support businesses and innovation across the EU? Then come and work for the European Commission where you can really make a difference!

Commission staff are a diverse group of people, who are motivated to help make Europe – and the world – a better place. They come from the 27 Member States of the European Union. Different nationalities, backgrounds, languages and cultures make the Commission a vibrant and inclusive place to work.

WE OFFER GREAT JOBS AND GREAT WORKING CONDITIONS:

- Interesting and challenging positions with plenty of opportunities for training and acquiring new skills and competencies throughout your whole career
- Opportunities to try several areas or move between different policy areas in your career
- A package of flexible working conditions including the possibility of teleworking – we care about your work-life balance
- A competitive financial package, including comprehensive healthcare, accident and pension schemes
- A multilingual, multicultural workplace where personal and career development are strongly promoted
- Multilingual schools for your children

We recruit from a wide range of backgrounds and actively promote diversity and inclusion:

We do not only recruit political scientists and lawyers but are also looking for all kinds of profiles, including scientists, linguists, IT experts, data analysts and economists, as well as drivers and engineers.

We are committed to equal opportunities and to fostering a rich, diverse and inclusive working environment. We aim for our workforce to be representative of European society and strongly welcome applications from all qualified candidates. We actively seek to create a workplace where each staff member feels valued and respected, can give their best and can develop to their full potential.

To promote diversity and establish a geographically balanced pool of candidates, we strongly encourage applicants from Member States which are currently underrepresented in the European Commission workforce to apply. These Member States are currently Austria, Cyprus, the Czech Republic, Denmark, the Netherlands, Estonia, Finland, Germany, Ireland, Luxembourg, Malta, Poland, Portugal, Slovakia and Sweden¹. Recruitment will however remain strictly based on the merits of all applicants and no positions will be reserved for nationals of any specific Member State.

STAFF RECRUITED ON CONTRACTS

In addition to permanent officials, the European Commission offers **non-permanent** positions. There are two categories of non-permanent staff:

- **[temporary agents](#)** are recruited to fill vacant positions for a set amount of time or to perform highly specialised tasks.
- **[contract agents](#)** may provide additional capacity in specialised fields where an insufficient number of officials is available or carry out a number of administrative or manual tasks. They are generally recruited for fixed-term contracts (maximum 6 years in any EU Institution), but in some cases they can be offered contracts for an indefinite duration (in offices, agencies, delegations or representations).

¹ Please note that the list of underrepresented Member States may be subject to future amendment based on potential data changes over time.

Policy Officer

in DG RTD – European Commission

Job title: Policy Officer

Domain: Science and Research

Where: Unit A.4 – Open Science & Research Infrastructures, Brussels

Function Group: FG IV

Contract Type: 3b

Express your interest until: 25.07.25 – 12.00 (noon, Brussels time)

WE ARE

The Open Science and Research Infrastructures unit develops, implements and monitors the policies, initiatives and structures needed to open up European science and research to make them more efficient and productive, seamless, transparent and robust as well as responsive to policy and society's needs and expectations. The unit also develops and implements the European policy on research infrastructures to increase their openness, accessibility, integration, efficiency and effectiveness.

More specifically, the unit leads the definition and implementation of EU policy in the following areas: incentives for practicing open science, open access to research outputs, research output management and sharing, research-specific regulatory provisions, European ecosystem of research infrastructures, open research infrastructures, and societal engagement in science.

The unit operates in the context of the 'ERA (European Research Area) and Innovation' Directorate that develops policy to shape a globally competitive and excellent EU research and innovation system that is open, performant and cohesive and that is conducive to transformative and systemic innovation for a sustainable future.

WE PROPOSE

The successful candidate will be part of a strong team on open science and research infrastructures and will be entrusted with the following tasks to contribute to:

- The development and implementation of open science actions under the ERA Policy Agenda, in particular those related to equity in open science, trust in science, and open access;
- The expansion of not-for-profit, open access scholarly publishing models and infrastructures;
- The building of capacities in terms of open science skills and equitable access to open science infrastructures;

- The actions dedicated to enhancing trust in science through the participation and engagement of citizens and end users in research and innovation.

The job involves both in-house activities (e.g. groups of directors, analyses, studies, reporting) and frequent interactions with Member States and stakeholders (e.g. programme committees, workshops, expert group). It requires a proactive attitude and contacts with colleagues across Commission services as well as interlocutors external to the Commission.

The precise duties and responsibilities could be adapted depending on the attributes of the successful candidate and the evolving needs of the unit.

WE LOOK FOR

A highly motivated and dynamic colleague capable of providing effective contributions to European research and innovation policy. The colleague should have at least three years of professional knowledge of and/or experience with science & technology, research and/or innovation policy and/or programmes.

Among other abilities, she/he should have very good analytical and problem-solving skills, as well as very good organisational skills, with attention to detail, and good communication skills. She/he should be able to handle tasks autonomously and in collaboration with team members and interact constructively with other services as well as with external stakeholders. She/he should have a very good command of English.

HOW TO EXPRESS YOUR INTEREST?

With a view to guaranteeing equal access to all, the Commission recruits from an open database of spontaneous applications. The present call for interests aims at helping the recruiters to identify potentially interested candidates within this database.

In practice, to express your interest, please follow the subsequent two steps:

1. If you are not registered yet in the open EPSO database, please do so at the following address: [CAST Permanent](#). Please select under selection procedures for contract agent the CAST permanent profile that best suits your education and experience.
2. You should send your documents in a single pdf in the following order:
 1. your CV
 2. completed application form.

Please send these documents by the publication deadline to RTD-A4-CA-APPLICATIONS@ec.europa.eu indicating the call for interest reference EC/2025/RTD/490276 in the subject.

No applications will be accepted after the publication deadline.

ANNEX

1. Selection

➤ Am I eligible to apply?

You must meet the following eligibility criteria when you validate your application:

Our rules provide that you can only be recruited as a contract agent at the European Commission if you:

General criteria:

➤ **What about the selection steps?**

The selecting unit chooses from the EPSO database⁴ candidates with the appropriate profile and invites them to an interview. For the interview a selection panel is set-up to assess the best candidates. Due to the large volume of applications that we may receive only candidates selected for the interview will be notified.

For operational reasons and in order to complete the selection procedure as quickly as possible in the interest of the candidates and of the institution, the selection procedure will be carried out in English and possibly in a second official language.

2. Recruitment

The candidate selected for recruitment will be requested to provide documentary evidence in support of the statements made in the database and, where relevant, the call for interest.

The successful candidate will be required to undergo a mandatory pre-recruitment medical check-up carried out by the Commission.

➤ **Type of contract and working conditions**

The place of employment will be in **Brussels**.

The successful candidate will be engaged as a **contract agent under Article 3(b) of the [Conditions of Employment of Other Servants](#), in function group FG IV**. General information on Contract Agents can be found at this link.

The grade or proposed grade range, as well as the step in that grade, will be defined on the basis of the candidates' previous professional experience, in accordance with [Commission Decision C\(2017\)6760](#) laying down the criteria applicable to classification in step on engagement.

The duration of the **first contract will be 1 year**. Subject to the interest of the service, the contract may be renewed one or more times up to a maximum duration of 6 years.

The duration of the renewal(s) will be defined according to the General Implementing Rules in force at that moment (currently, [Commission Decision C\(2017\)6760](#) on policies for the engagement and use of contract agents).

⁴ Therefore, candidates who did not pass already a CAST on the level Function Group IV, should register their profile at this [address](#).

Contract agents recruited in Function Group IV have to successfully complete a 9-month probationary period.

The pay of staff members consists of a basic salary supplemented with specific allowances, including, where applicable, expatriation and family allowances. The provisions guiding the calculation of these allowances can be consulted in the Conditions of Employment of Other Servants. As a member of staff of the European institutions, your pay is subject to a tax raised by those institutions.

The European Commission applies a policy of equal opportunities and non-discrimination in accordance with Article 1d of the Staff Regulations.

Should you need further information on working conditions, please refer to [Working conditions and benefits of EU Careers](#).

For information related to Data Protection, please see the Specific [Privacy Statement](#) under “7. Information to data subjects on their rights”, to find your rights and how to exercise them in addition to the privacy statement, which summarises the processing of your data.
