

MAKE A DIFFERENCE - JOIN THE EUROPEAN COMMISSION

Do you want to help shape the future of the European Union? Make the planet greener, promote a fairer society, or support businesses and innovation across the EU? Then come and work for the European Commission where you can really make a difference!

Commission staff are a diverse group of people, who are motivated to help make Europe – and the world – a better place. They come from the 27 Member States of the European Union. Different nationalities, backgrounds, languages and cultures make the Commission a vibrant and inclusive place to work.

WE OFFER GREAT JOBS AND GREAT WORKING CONDITIONS:

- Interesting and challenging positions with plenty of opportunities for training and acquiring new skills and competencies throughout your whole career
- Opportunities to move between different policy areas throughout your career
- A package of flexible working conditions including the possibility of teleworking – we care about your work-life balance
- A competitive financial package, including comprehensive healthcare, accident and pension schemes
- A multilingual, multicultural workplace where personal and career development are strongly promoted
- Multilingual schools for your children

We recruit from a wide range of backgrounds and actively promote diversity and inclusion:

We do not only recruit political scientists and lawyers but are also looking for all kinds of profiles, including scientists, linguists, IT experts, data analysts and economists, as well as drivers and engineers.

We are committed to equal opportunities and to fostering a rich, diverse and inclusive working environment. We aim for our workforce to be representative of European society and strongly welcome applications from all qualified candidates. We actively seek to create a workplace where each staff member feels valued and respected, can give their best and can develop to their full potential.

To promote diversity and establish a geographically balanced pool of candidates, we strongly encourage applicants from Member States which are currently underrepresented in the European Commission workforce to apply. These Member States are currently Austria, Cyprus, the Czech Republic, Denmark, the Netherlands, Estonia, Finland, Germany, Ireland, Luxembourg, Malta, Poland, Portugal, Slovakia and Sweden¹. Recruitment will however remain strictly based on the merits of all applicants and no positions will be reserved for nationals of any specific Member State.

STAFF RECRUITED ON CONTRACTS

In addition to permanent officials, the European Commission offers **non-permanent** positions. There are two categories of non-permanent staff:

- [temporary agents](#) are recruited to fill vacant positions for a set amount of time or to perform highly specialised tasks.
- [contract agents](#) may provide additional capacity in specialised fields where an insufficient number of officials is available or carry out a number of administrative or manual tasks. They are generally recruited for fixed-term contracts (maximum 6 years in any EU Institution), but in some cases they can be offered contracts for an indefinite duration (in offices, agencies, delegations or representations).

¹ Please note that the list of underrepresented Member States may be subject to future amendment based on potential data changes over time.

Statistical officer

in DG ESTAT of the European Commission

Job title*: Statistical officer – Sustainable development indicators

Domain:** Economics, finance and statistics

Where: Unit ESTAT E.2 – „Environmental statistics and accounts; sustainable development“, Luxembourg

Function Group: FG IV

Contract Type: 3b

Express your interest until: 23.12.2025 - 12.00 (noon, Brussels time)

WE ARE

ESTAT unit E.2 is responsible for environmental statistics and accounts, and sustainable development. The mission of unit E.2 is to:

- provide environmental accounts in line with international standards and closely linked to the methodology of national accounts in order to facilitate analysis of the interaction between the economy and the environment;
- provide environmental statistics in the areas of waste, water, forestry and biodiversity indicators;
- maintain and update sustainable development indicators and indicators to monitor the circular economy;
- advance methodological work in the fields listed above.

The unit has 31 staff members organised in 4 teams and manages a budget of around €4 million per year.

The sustainable development indicators team comprises 7 people. The team's main role is to monitor and communicate EU progress towards the UN Sustainable Development Goals along a set of circa 100 policy-relevant indicators. The team is also involved in other cross-cutting measurement topics, such as statistics for the European Green Deal. In order to communicate the indicators, the team is responsible for flagship publications and data visualisations covering these topics.

WE PROPOSE

We propose a position (contract agent) in the sustainable development indicators team with responsibilities on monitoring sustainable development goals and also on climate change adaptation and resilience statistics, related to important EU policy frameworks.

The job comprises a challenging and very interesting mix of content-related, methodological, dissemination and communication activities and provides for a good overview of the areas of

activity of Eurostat, of the policies of the EU and of international work.

The job comprises the following main responsibilities:

- monitor sustainable development indicators in coordination with the Eurostat production units as well as with external data providers;
- contribute to the annual EU SDG monitoring report and associated communication products;
- cooperate with European Commission DGs involved in the EU SDG monitoring;
- contribute to methodological work and developing guidelines on climate adaptation and resilience statistics;
- contribute to the integration of climate adaptation in the framework of environmental-economic accounting (UN System of Environmental-Economic Accounting, SEEA).

The position offers an interesting mix of statistical analysis and relations with users, inside and outside the Commission. It also involves the development of new indicators based on existing statistics from unit E.2 and the rest of Eurostat as well as from sources outside of official statistics.

WE LOOK FOR

The successful candidate should have the following qualifications and/or skills:

- ability to communicate efficiently and fluently statistics and quantitative information, either targeted to Commission services or the public;
- capacity for descriptive statistical analysis and assessment of trends;
- good drafting skills;
- ability to coordinate, sense of initiative and being pro-active;
- ability to work within a team;
- ability to cooperate with stakeholders;
- experience with environmental statistics;
- experience producing environmental-economic accounts (SEEA) or national accounts (ESA) is an advantage.

The candidate should be well organised, ready to work under tight deadlines, with the ability to react quickly to new developments. A very good level of English is essential.

HOW TO EXPRESS YOUR INTEREST?
