

MAKE A DIFFERENCE - JOIN THE EUROPEAN COMMISSION

Do you want to help shape the future of the European Union? Make the planet greener, promote a fairer society, or support businesses and innovation across the EU? Then come and work for the European Commission where you can really make a difference!

Commission staff are a diverse group of people, who are motivated to help make Europe – and the world – a better place. They come from the 27 Member States of the European Union. Different nationalities, backgrounds, languages and cultures make the Commission a vibrant and inclusive place to work.

WE OFFER GREAT JOBS AND GREAT WORKING CONDITIONS:

- Interesting and challenging positions with plenty of opportunities for training and acquiring new skills and competencies throughout your whole career
- Opportunities to move between different policy areas throughout your career
- A package of flexible working conditions including the possibility of teleworking – we care about your work-life balance
- A competitive financial package, including comprehensive healthcare, accident and pension schemes
- A multilingual, multicultural workplace where personal and career development are strongly promoted
- Multilingual schools for your children

We recruit from a wide range of backgrounds and actively promote diversity and inclusion:

We do not only recruit political scientists and lawyers but are also looking for all kinds of profiles, including scientists, linguists, IT experts, data analysts and economists, as well as drivers and engineers.

We are committed to equal opportunities and to fostering a rich, diverse and inclusive working environment. We aim for our workforce to be representative of European society and strongly welcome applications from all qualified candidates. We actively seek to create a workplace where each staff member feels valued and respected, can give their best and can develop to their full potential.

To promote diversity and establish a geographically balanced pool of candidates, we strongly encourage applicants from Member States which are currently underrepresented in the European Commission workforce to apply. These Member States are currently Austria, Cyprus, the Czech Republic, Denmark, the Netherlands, Estonia, Finland, Germany, Ireland, Luxembourg, Malta, Poland, Portugal, Slovakia and Sweden¹. Recruitment will however remain strictly based on the merits of all applicants and no positions will be reserved for nationals of any specific Member State.

STAFF RECRUITED ON CONTRACTS

In addition to permanent officials, the European Commission offers **non-permanent** positions. There are two categories of non-permanent staff:

- [**temporary agents**](#) are recruited to fill vacant positions for a set amount of time or to perform highly specialised tasks.
- [**contract agents**](#) may provide additional capacity in specialised fields where an insufficient number of officials is available or carry out a number of administrative or manual tasks. They are generally recruited for fixed-term contracts (maximum 6 years in any EU Institution), but in some cases they can be offered contracts for an indefinite duration (in offices, agencies, delegations or representations).

¹ Please note that the list of underrepresented Member States may be subject to future amendment based on potential data changes over time.

IT Service Officer

in DG DIGIT of the European Commission

Job title: IT Service Officer

Domain: Information Technology

Where: Unit DIGIT.C.1 – “Cloud Services & Software Broker”, Brussels

Function Group: FG IV

Contract Type: 3b

Express your interest until: 31.03.2026 - 12.00 (noon, Brussels time)

WE ARE

DIGIT interconnects people, data and processes across European Institutions and Member States. We provide staff with digital tools for collaboration and productivity, support digitally enabled policies and facilitate data-informed decision-making. By leading IT procurement and delivering secure, reliable and scalable digital services, DIGIT enables the Commission to work securely and effectively in a connected digital world.

DIGIT.C1 contributes to the digital transformation of the European Commission by fostering cost-effective purchasing channels for cloud services, software, and professional services. To fulfil its mission, the Unit hosts the operations of the procurement brokers for cloud, software, and professional services used by all EU Institutions, Bodies, and Agencies.

The Software Broker and FinOps sector establishes cost-effective purchasing channels for software solutions, SaaS, and related professional services, in close cooperation with all other DIGIT units involved (legal, financial, technical). Its unique value lies in its strong multi-disciplinary expertise, bridging the skills required to deliver efficient and sustainable procurement.

WE PROPOSE

DIGIT C.1 is seeking to hire one Finance and Contracts Officer - Procurement Operations Officer

The Procurement Operations Officer will provide support for designing, negotiating, documenting, implementing, evolving and documenting the contractual and administrative procurement frameworks underpinning the operations of the Software and SaaS Broker.

It requires setting up and managing contractual frameworks with software sellers and publishers, ensuring compliance with public procurement rules while supporting the operational model of the Software and SaaS Broker.

It also requires establishing and further developing communication and engagement channels with business stakeholders from the European Institution in order to collect and aggregate the business needs, as well as maintaining constructive working relationships with software sellers, publishers,

and relevant public stakeholders to support smooth cooperation and alignment with the Broker's and EUI objectives.

WE LOOK FOR

We are looking for a dynamic individual with experience in the IT and Procurement domains, either an IT professional with relevant procurement expertise, or vice-versa.

The ideal profile for the job is a professional with at least 5 years of demonstrated experience in setting up, negotiating, and managing procurement contracts and contractual frameworks in the IT domain. Including for instance interacting with service and solution providers and multiple stakeholders, conducting negotiations, coordination activities, and the aggregation of downstream needs for establishing a common negotiating approach and objectives.

Knowledge in the below domains will also be considered an advantage during the selection process:

- at least 2 years in working with IT-related procurement contexts, including software, SaaS, or digital services, and the ability to understand how contractual terms support technical, operational, and service delivery requirements;
- At least 1 year in interacting with service and solution providers and multiple stakeholders across institutions or services, conducting negotiations, coordination activities, and aggregation of downstream needs for establishing a common negotiating approach and objectives;
- at least 1 year in maintaining structured repositories of contractual or administrative documentation, ensuring information accuracy, traceability, and accessibility for operational and audit purposes.

➤ **What about the selection steps?**

The selecting unit chooses from the EPSO database⁴ candidates with the appropriate profile and invites them to an interview. For the interview a selection panel is set-up to assess the best candidates. Due to the large volume of applications that we may receive only candidates selected for the interview will be notified.

For operational reasons and in order to complete the selection procedure as quickly as possible in the interest of the candidates and of the institution, the selection procedure will be carried out in English and possibly in a second official language.

2. Recruitment

The candidate selected for recruitment will be requested to provide documentary evidence in support of the statements made in the database and, where relevant, the call for interest.

The successful candidate will be required to undergo a mandatory pre-recruitment medical check-up carried out by the Commission.

➤ **Type of contract and working conditions**

The place of employment will be in **Brussels**.

The successful candidate will be engaged as a **contract agent under Article 3(b) of the [Conditions of Employment of Other Servants](#), in function group FG IV**. General information on Contract Agents can be found at this link.

The grade or proposed grade range, as well as the step in that grade, will be defined on the basis of the candidates' previous professional experience, in accordance with [Commission Decision C\(2017\)6760](#) laying down the criteria applicable to classification in step on engagement.

The duration of the **first contract will be 1 year**. Subject to the interest of the service, the contract may be renewed one or more times up to a maximum duration of 6 years.

The duration of the renewal(s) will be defined according to the General Implementing Rules in force at that moment (currently, [Commission Decision C\(2017\)6760](#) on policies for the engagement and use of contract agents).

⁴ Therefore, candidates who did not pass already a CAST on the level Function Group IV, should register their profile at this [address](#).

Contract agents recruited in Function Group IV have to successfully complete a 9-month probationary period.

The pay of staff members consists of a basic salary supplemented with specific allowances, including, where applicable, expatriation and family allowances. The provisions guiding the calculation of these allowances can be consulted in the Conditions of Employment of Other Servants. As a member of staff of the European institutions, your pay is subject to a tax raised by those institutions.

The European Commission applies a policy of equal opportunities and non-discrimination in accordance with Article 1d of the Staff Regulations.

Should you need further information on working conditions, please refer to [Working conditions and benefits of EU Careers](#).
