Administrative Agent

in the Paymaster Office (PMO) of the European Commission

Job title: Administrative agent

Domain: Remunerations, Rights and Obligations

Where: Unit PMO.3 – Sickness Insurance I, Brussels

Function Group: FG II

Contract Type: 3a

Express your interest until: 03.03.2026 - 12.00 (noon, Brussels time)

WE ARE

The mission of the PMO (Paymaster Office or Office for the administration and payment of individual entitlements) is to provide a high-quality and user-friendly service to beneficiaries by promptly and accurately managing, determining and paying individual rights and expenses (e.g., salaries, pensions, sickness insurance reimbursements and mission expenses).

Unit PMO.3 “Sickness Insurance I” is one of the three units responsible for managing the Joint Sickness Insurance Scheme (JSIS), which has almost 190.000 beneficiaries. The other two units are in Luxembourg and Ispra. Unit PMO.3 is located in Brussels and consists of four sectors: (i) Tariffication; (ii) Accidents and Occupational Diseases Insurance; (iii) Service to JSIS members, (iv) Medical Authorisations, for a total of some 120 persons.

Sector PMO.3.001 (Tariffication), consists of 3 Teams and deals, inter alia, with the tariffication of hospital invoices, requests for reimbursement of medical and funeral costs, the budget of the JSIS including initiation and approval of lists of payment of related costs to members. The sector counts 43 staff members.

WE PROPOSE

We propose two Contract Agent FG II positions as Administrative Agents – Tarifficators in the Team dealing with Tariffication.

The administrative agents will be responsible for verifying invoices for conformity with estimates, conformity of documents, evaluation and final payment of hospitals and clinics in the EU, verifying accounting entries and corrections.

The role requires undertaking controls on the accounting system, liaising with colleagues within the PMO, contacts with hospitals and clinics and with other PMO 3 teams and with JSIS members. The tasks are very diverse and involve the use of different IT tools. Training will be provided on the job.

The selected candidates will reply to questions from JSIS members through the Staff Matters Portal. They will collaborate with other JSIS sectors within the unit and in the units based in Ispra and Luxembourg.

As part of the multi-skilled nature of the job, they may be required to meet JSIS members directly, deal with telephone calls, emails or equivalent and letters. With experience, they will be required to follow up specific files.

The selected colleagues might also be requested, in the interest of the service, to work in one of the Unit's Sector, in particular within the Front Office. Such a position is highly rewarding, offering the opportunity for the handler to provide help and support to our members, sometimes at crucial moments in the life of our JSIS members. The effects of the work done are directly visible, which is very rewarding on a human and intellectual level.

Additionally, the selected candidate should demonstrate the following personal qualities:

- Capacity to establish and maintain a good relationship with JSIS members, colleagues and with other services, feeling comfortable working in a team and collaborating positively with colleagues inside and outside PMO;
- High level of service orientation, discretion, flexibility, and professional conscientiousness;
- High level of resilience and ability to work under pressure when necessary, along with a solid understanding of the strict rules on medical secret;
