WE ARE

The European Fiscal Board (EFB) is an independent advisory body of the Commission operational since late 2016. It consists of five internationally renowned experts on fiscal policy, public finances and macroeconomics, with experience in European economic governance and the EU's fiscal rules: https://ec.europa.eu/info/business-economy-euro/economic-and-fiscal-policy-coordination/european-fiscal-board-efb_en.

The establishment of the EFB is part of the roadmap towards a deep, genuine and fair Economic and Monetary Union (EMU) set out in the [Five Presidents' Report of June 2015](#).

Despite its short history, the Board succeeded in establishing itself as a respected and integral part of the EU economic governance framework. Its reports are discussed in the College of Commissioners, at the level of ministers of the economy and finance in the Council, in the ECON committee of the European Parliament, by the EU network of national independent fiscal institutions and economic think tanks.

The EFB is supported by a secretariat, which is responsible for

- providing high-quality analytical, statistical, administrative and logistical support to the Board under the direction of the Chair of the Board;
- preparing the meetings of the Board, reviewing the documents to be discussed and monitoring the progress of work against the priorities set out by the Board;
- ensuring cooperation with the national fiscal councils as necessary for supporting the mission and tasks of the Board.

For administrative purposes, the EFB secretariat is attached to the Secretariat-General of the European Commission. The Members of the Board are special advisors to Executive Vice-President

Dombrovskis.
