

MAKE A DIFFERENCE - JOIN THE EUROPEAN COMMISSION

Do you want to help shape the future of the European Union? Make the planet greener, promote a fairer society, or support businesses and innovation across the EU? Then come and work for the European Commission where you can really make a difference!

Commission staff are a diverse group of people, who are motivated to help make Europe – and the world – a better place. They come from the 27 Member States of the European Union. Different nationalities, backgrounds, languages and cultures make the Commission a vibrant and inclusive place to work.

WE OFFER GREAT JOBS AND GREAT WORKING CONDITIONS:

- Interesting and challenging positions with plenty of opportunities for training and acquiring new skills and competencies throughout your whole career
- Opportunities to move between different policy areas throughout your career
- A package of flexible working conditions including the possibility of teleworking – we care about your work-life balance
- A competitive financial package, including comprehensive healthcare, accident and pension schemes
- A multilingual, multicultural workplace where personal and career development are strongly promoted
- Multilingual schools for your children

We recruit from a wide range of backgrounds and actively promote diversity and inclusion:

We do not only recruit political scientists and lawyers but are also looking for all kinds of profiles, including scientists, linguists, IT experts, data analysts and economists, as well as drivers and engineers.

We are committed to equal opportunities and to fostering a rich, diverse and inclusive working environment. We aim for our workforce to be representative of European society and strongly welcome applications from all qualified candidates. We actively seek to create a workplace where each staff member feels valued and respected, can give their best and can develop to their full potential.

To promote diversity and establish a geographically balanced pool of candidates, we strongly encourage applicants from Member States which are currently underrepresented in the European Commission workforce to apply. These Member States are currently Austria, Cyprus, the Czech Republic, Denmark, the Netherlands, Estonia, Finland, Germany, Ireland, Luxembourg, Malta, Poland, Portugal, Slovakia and Sweden. Recruitment will however remain strictly based on the merits of all applicants and no positions will be reserved for nationals of any specific Member State.

STAFF RECRUITED ON CONTRACTS

In addition to permanent officials, the European Commission offers non-permanent positions. There are two categories of non-permanent staff:

- **[temporary agents](#)** are recruited to fill vacant positions for a set amount of time or to perform highly specialised tasks.
- **[contract agents](#)** may provide additional capacity in specialised fields where an insufficient number of officials is available or carry out a number of administrative or manual tasks. They are generally recruited for fixed-term contracts (maximum 6 years in any EU Institution), but in some cases they can be offered contracts for an indefinite duration (in offices, agencies, delegations or representations).

Case Handler Assistant

in the Directorate-General for Communications Networks, Content and Technology (DG CONNECT)

Job title: Case Handler Assistant

Domain: Information technology

Where: Unit CNECT.D2 - "Digital Markets", Brussels

Function Group: FG III

Contract Type: 3b

Express your interest until: 28.04.2025 - 12.00 (noon - Brussels time)

WE ARE

We are a team of 40 enthusiastic and highly motivated officials, with a range of different skills (legal, economic, technical, data protection, data science, computer science) working in a multidisciplinary environment

We are the Unit in charge of the implementation of the Digital Markets Act (DMA) within the Directorate Online Platform: Economy. Together with the Digital Services Act (DSA), the DMA constitutes a ground-breaking new regulatory framework for the largest online platforms, whose enforcement, for the first time, has been entrusted to the European Commission. The Unit is part of the DMA team (together with DG Competition) and manages the processes of (i) designating the gatekeepers, (ii) enforcement of DMA obligations and (iii) regulatory dialogue and monitoring of compliance with the DMA. For example, we oversee the compliance by the designated gatekeepers of the obligation of interoperability, prohibition of data combination and self-preferencing, obligation of offering choice screens and provide more advertising transparency etc.

WE PROPOSE

Unit CNECT.D2 is seeking to recruit an assistant case handler for the implementation of the Digital Markets Act. The successful candidate will participate to the supervision of gatekeepers' compliance with the DMA obligations, while (s)he may contribute to issues of interplay with the Digital Services Act. We offer work that is novel, intellectually stimulating and interactive, with regular contacts with other services of the Commission as well as external counterparts. We offer a friendly and open-minded team where colleagues are given a high degree of autonomy in carrying out their tasks.

The successful candidate will work on:

- Help assess operating system developments, app stores contractual terms, data-related safeguards applied by gatekeepers, algorithmic ranking and organisation of content, AI

practices, cloud computing services, or messaging interoperability. Assist case handlers in the analysis of such practices to identify risks of non-compliance with the DMA.

- Contribute to investigations regarding potential non-compliance with the DMA, such as preparing interviews or requests for information.
- Contribute to engagements with relevant counterparts, such as gatekeepers, business users or end users of gatekeepers as well as associations that represent them, to gather knowledge and evidence to support the application of the DMA.

WE LOOK FOR

We are looking for a dynamic, pro-active and highly motivated candidate having a profile relevant for the implementation and enforcement of the DMA. In particular, one of the following profiles:

1. Legal and compliance
2. Data protection
3. Software engineer
4. Data scientist

Experience in one of the following fields would be an asset:

1. software engineering, cybersecurity, data science, cloud computing, artificial intelligence, online platform design.
2. monitoring and enforcement of regulatory regimes, such as telecoms, energy, financial or competition.
3. application of data protection legislation, compliance with data protection requirements.

The successful candidate should be a team player, who can also work autonomously or with minimal supervision. (S)he should also have:

- interest in EU policy and enforcement especially in the digital sector.
- a structured and thorough approach to work, even under tight deadlines.
- excellent analytical skills and good communication skills in English, notably drafting skills.
- high work ethics, sense of duty and respect of deadlines.

HOW TO EXPRESS YOUR INTEREST?

With a view to guaranteeing equal access to all, the Commission recruits from an open database of spontaneous applications. The present call for interests aims at helping the recruiters to identify potentially interested candidates within this database.

In practice, to express your interest, please follow the subsequent two steps:

1. If you are not registered yet in the open EPSO database, please do so at the following address: [CAST Permanent](#). Please select under selection procedures for contract agent the CAST permanent profile that best suits your education and experience.

2. You should send your documents in a single pdf in the following order:

1. your CV
2. completed application form.

Please send these documents by the publication deadline to CNECT-DMA@ec.europa.eu indicating the call for interest reference EC/2026/CNECT/415335 in the subject.

No applications will be accepted after the publication deadline.
