

MAKE A DIFFERENCE - JOIN THE EUROPEAN COMMISSION

Do you want to help shape the future of the European Union? Make the planet greener, promote a fairer society, or support businesses and innovation across the EU? Then come and work for the European Commission where you can really make a difference!

Commission staff are a diverse group of people, who are motivated to help make Europe – and the world – a better place. They come from the 27 Member States of the European Union. Different nationalities, backgrounds, languages and cultures make the Commission a vibrant and inclusive place to work.

WE OFFER GREAT JOBS AND GREAT WORKING CONDITIONS:

- Interesting and challenging jobs with plenty of opportunities for training and acquiring new skills and competencies throughout your whole career
- Opportunities to move between different policy areas throughout your career
- A package of flexible working conditions including the possibility of teleworking – we care about your work-life balance
- A competitive financial package, including comprehensive healthcare, accident and pension schemes
- A multilingual, multicultural workplace where personal and career development are strongly promoted
- Multilingual schools for your children

We recruit from a wide range of backgrounds and actively promote diversity and inclusion:

We do not only recruit political scientists and lawyers but are also looking for all kinds of profiles, including scientists, linguists, IT experts, data analysts and economists, as well as drivers and engineers.

We are committed to equal opportunities and to fostering a rich, diverse and inclusive working environment. We aim for our workforce to be representative of European society and strongly welcome applications from all qualified candidates. We actively seek to create a workplace where each staff member feels valued and respected, can give their best and can develop to their full potential.

To promote diversity and establish a geographically balanced pool of candidates, we strongly encourage applicants from Member States which are currently underrepresented in the European Commission workforce to apply. These Member States are currently Austria, Cyprus, the Czech Republic, Denmark, the Netherlands, Estonia, Finland, Germany, Ireland, Luxembourg, Malta, Poland, Portugal, Slovakia and Sweden¹. Recruitment will however remain strictly based on the merits of all applicants and no positions will be reserved for nationals of any specific Member State.

STAFF RECRUITED ON CONTRACTS

In addition to permanent officials, the European Commission offers non-permanent positions. There are two categories of non-permanent staff:

- [temporary agents](#) are recruited to fill vacant positions for a set amount of time or to perform highly specialised tasks.
- [contract agents](#) may provide additional capacity in specialised fields where an insufficient number of officials is available or carry out a number of administrative or manual tasks. They are generally recruited for fixed-term contracts (maximum 6 years in any EU Institution), but in some cases they can be offered contracts for an indefinite duration (in offices, agencies, delegations or representations).

Information Systems Assistant – Local SysAdmin and Cybersecurity

Directorate-General for Energy (DG ENER) of the European Commission

Selection reference: ENER/COM/2026/663

Domain: Information Technology

Where: Unit ENER.E.2 “Euratom IT Support”, Luxembourg

Staff category and Function Group: Temporary agent 2b/2d –Assistant

Grade range: AST1-3

Publication deadline: 17.04.2026 - 12.00 (Brussels time)

WE ARE

The Directorate-General for Energy is working to foster a competitive European economy, ensure energy security, and accelerate Europe's clean and just energy transition to be the first climate-neutral continent by 2050. We set out policies to develop an innovative, resilient, and integrated energy system, which delivers a continuous supply of affordable, secure, reliable, and clean energy to its citizens and businesses in line with the President's Political Guidelines.

The Directorate E “Euratom Safeguards” of DG ENER implements Nuclear Safeguards as described in Chapter VII of the EURATOM Treaty, to ensure, by appropriate control, that nuclear materials present in the EU are not diverted from their intended uses and that safeguarding obligations, assumed by the Community under international agreements, are complied with.

Unit ENER.E2 "Euratom IT support" is the IT unit providing the infrastructure and information systems necessary to all Euratom activities in Luxembourg. The unit comprises three teams to ensure its mission. The infrastructure team is responsible for the management of the IT infrastructure, including servers and network systems, in compliance with Sensitive Non-Confidential and EU classified information data handling requirements and provides user support on Euratom systems. The application development team is responsible for design, implementation, maintenance, and support of the information systems in the field of nuclear energy and nuclear safeguards activities. The transversal team is responsible for architecture, service delivery, and compliance of the systems.

The tasks of Unit ENER E2 concern all operational activities related to the IT infrastructure and equipment, end-user support and applications development within the Euratom network, including the handling of significant amounts of sensitive and EU classified information. The work program includes various significant and challenging projects to adapt the organization to latest needs and bring it closer to the integration into the corporate IT landscape.

WE PROPOSE

Unit E2 of DG ENER is seeking to hire one Information System Assistant – Local SysAdmin and Cybersecurity to become part of our dynamic unit. In the Infrastructure team, the selected candidate will be part of a team of Local SysAdmins including external service providers, in charge of the administration of hardware, software, network services, data storage, and backup solutions provided to the Euratom Safeguards Directorates and hosted on secure networks.

The selected candidate will oversee the network appliances, firewalls (both physical and virtual) and evaluate security posture of software and hardware used in infrastructures handling sensitive and classified information. With the team, s/he will ensure the availability, security and functionality of disaster recovery sites. S/He will collaborate with the colleagues maintaining databases and middleware as well as the Application development Team on their respective security aspects to implement security by design.

S/He will also be requested to participate in the design and evolution of the infrastructure and participate in defining the work program for the unit, to contribute to building a modern, secure and future proof IT infrastructure ready for integration in the Corporate IT infrastructure, when the time comes.

The job offers freedom to take initiatives and learn new technologies in a very captivating environment, good team spirit, and a work setup permitting the opportunity to interact with IT services across the Commission.

The offered post is located in Luxembourg.

WE LOOK FOR

We are looking for a cybersecurity professional with system administration experience.

The ideal profile for the job would be a candidate holding a BSc in engineering, ICT or cybersecurity, preferably with at least 5 years of relevant experience, who is motivated and dynamic and with a strong interest in digital/IT related issues. The ideal candidate should:

- have a diverse technical experience;
- have a network and security experience;
- be able to collaborate in a team;
- be autonomous and ready to take on initiatives;
- have excellent communication skills;
- be customer oriented, capable of integrating different points of view and of promoting a collaborative approach.

Experience in managing complex, secure IT systems and networks will be considered an asset.

A good knowledge of at least two EU official languages, including English or French, is required. A good command of French would be an asset.

HOW TO EXPRESS YOUR INTEREST?

You should send your documents in a single pdf in the following order:

1. your CV
2. completed application form.

Please send these documents by the publication deadline to ENER-LUX-IT-ADMIN@ec.europa.eu indicating the selection reference ENER/COM/2026/663 in the subject.

No applications will be accepted after the publication deadline.
