

MAKE A DIFFERENCE - JOIN THE EUROPEAN COMMISSION

Do you want to help shape the future of the European Union? Make the planet greener, promote a fairer society, or support businesses and innovation across the EU? Then come and work for the European Commission where you can really make a difference!

Commission staff are a diverse group of people, who are motivated to help make Europe – and the world – a better place. They come from the 27 Member States of the European Union. Different nationalities, backgrounds, languages and cultures make the Commission a vibrant and inclusive place to work.

WE OFFER GREAT JOBS AND GREAT WORKING CONDITIONS:

- Interesting and challenging positions with plenty of opportunities for training and acquiring new skills and competencies throughout your whole career
- Opportunities to move between different policy areas throughout your career
- A package of flexible working conditions including the possibility of teleworking – we care about your work-life balance
- A competitive financial package, including comprehensive healthcare, accident and pension schemes
- A multilingual, multicultural workplace where personal and career development are strongly promoted
- Multilingual schools for your children

We recruit from a wide range of backgrounds and actively promote diversity and inclusion:

We do not only recruit political scientists and lawyers but are also looking for all kinds of profiles, including scientists, linguists, IT experts, data analysts and economists, as well as drivers and engineers.

We are committed to equal opportunities and to fostering a rich, diverse and inclusive working environment. We aim for our workforce to be representative of European society and strongly welcome applications from all qualified candidates. We actively seek to create a workplace where each staff member feels valued and respected, can give their best and can develop to their full potential.

To promote diversity and establish a geographically balanced pool of candidates, we strongly encourage applicants from Member States which are currently underrepresented in the European Commission workforce to apply. These Member States are currently Austria, the Czech Republic, Denmark, the Netherlands, Estonia, Finland, Germany, Ireland, Latvia, Luxembourg, Malta, Poland, Slovakia and Sweden¹. Recruitment will however remain strictly based on the merits of all applicants and no positions will be reserved for nationals of any specific Member State.

STAFF RECRUITED ON CONTRACTS

In addition to permanent officials, the European Commission offers non-permanent positions. There are two categories of non-permanent staff:

- **temporary agents** are recruited to fill vacant positions for a set amount of time or to perform highly specialised tasks.
- **contract agents** may provide additional capacity in specialised fields where an insufficient number of officials is available or carry out a number of administrative or manual tasks. They are generally recruited for fixed-term contracts (maximum 6 years in any EU Institution), but in some cases they can be offered contracts for an indefinite duration (in offices, agencies, delegations or representations).

Research Programme Officer

in the Directorate-General for Agriculture and Rural Development of the European Commission

Job title: Programme Officer – Research Programme Officer

Domain: Agriculture – Science and Research

Where: Unit AGRI.F2 Research and Innovation, Brussels

Function Group: FG IV

Contract Type: 3b

Express your interest until: Friday 8 May 2026 - 12.00 (noon, Brussels time)

WE ARE

We are Unit AGRI.F2 Research and Innovation. We develop and implement DG AGRI's overall research and innovation strategy within the framework of the current (2021-2027) and next (2028-2034) Multi-annual Financial Framework, Horizon Europe, the European Competitiveness Fund, the National and Regional Partnership Plans and the Common Agricultural Policy. We co-create and programme the current (2021-2027) Horizon Europe Cluster 6, Impact Area 3 (and future equivalents).

WE PROPOSE

We propose a position of Programme Officer – Research Programme Officer. Main tasks will be:

Contributing to DG AGRI's research and innovation strategy under the current (2021–2027) and next (2028–2034) Multiannual Financial Framework, Horizon Europe, the European Competitiveness Fund, the CAP, and National and Regional Partnership Plans, with a focus on supporting the transition from research to market deployment and scale-up in agriculture, forestry, the bioeconomy, and rural areas; contributing to strategic programming and the preparation of work programmes; and liaising with research and innovation stakeholders to provide policy feedback and monitor relevant scientific and technical developments in Cluster 6.

Monitoring and translating market failures and megatrends into actionable insights to support the innovation journey from idea to market in the agri-food sector, under the EU's research and innovation framework and instruments such as the European Competitiveness Fund and the CAP; producing and managing market intelligence to identify market failures and financing gaps across the innovation-to-scale continuum; and developing approaches to support business creation and growth through blended finance solutions that de-risk investment and mobilise public and private capital.

Contributing to coordination with DG RTD, DG GROW and other Commission services, as well as joint undertakings, partnerships, the European Innovation Council, the European Investment Bank Group and the EIT KICs, including participation in R&I interservice groups; presenting R&I programming and results to internal and external stakeholders; and supporting communication and dialogue on Horizon Europe and research policy outcomes.

WE LOOK FOR

We are seeking a candidate with an advanced degree in agricultural economics, finance, business, innovation policy or a related field, and at least 5 years' relevant experience across two or more of the following: agribusiness market analysis; R&I programme management; SME/scale-up support; financial instruments; or blended finance. You should be able to translate market intelligence into programme and instrument design; have strong quantitative and qualitative analytical skills; demonstrate excellent drafting and stakeholder management skills, including explaining complex financial concepts to non-specialists; and be collaborative, delivery-oriented, and able to manage multiple priorities under pressure.

Oral and written fluency in English is essential, together with an overall ability to work in French; knowledge of other EU languages is an asset.

HOW TO EXPRESS YOUR INTEREST?

With a view to guaranteeing equal access to all, the Commission recruits from an open database of spontaneous applications. The present call for interests aims at helping the recruiters to identify potentially interested candidates within this database.
