

MAKE A DIFFERENCE - JOIN THE EUROPEAN COMMISSION

Do you want to help shape the future of the European Union? Make the planet greener, promote a fairer society, or support businesses and innovation across the EU? Then come and work for the European Commission where you can really make a difference!

Commission staff are a diverse group of people, who are motivated to help make Europe – and the world – a better place. They come from the 27 Member States of the European Union. Different nationalities, backgrounds, languages and cultures make the Commission a vibrant and inclusive place to work.

WE OFFER GREAT JOBS AND GREAT WORKING CONDITIONS:

- Interesting and challenging positions with plenty of opportunities for training and acquiring new skills and competencies throughout your whole career
- Opportunities to move between different policy areas throughout your career
- A package of flexible working conditions including the possibility of teleworking – we care about your work-life balance
- A competitive financial package, including comprehensive healthcare, accident and pension schemes
- A multilingual, multicultural workplace where personal and career development are strongly promoted
- Multilingual schools for your children

We recruit from a wide range of backgrounds and actively promote diversity and inclusion:

We do not only recruit political scientists and lawyers but are also looking for all kinds of profiles, including scientists, linguists, IT experts, data analysts and economists, as well as drivers and engineers.

We are committed to equal opportunities and to fostering a rich, diverse and inclusive working environment. We aim for our workforce to be representative of European society and strongly welcome applications from all qualified candidates. We actively seek to create a workplace where each staff member feels valued and respected, can give their best and can develop to their full potential.

To promote diversity and establish a geographically balanced pool of candidates, we strongly encourage applicants from Member States which are currently underrepresented in the European Commission workforce to apply. These Member States are currently Austria, the Czech Republic, Denmark, the Netherlands, Estonia, Finland, Germany, Ireland, Latvia, Luxembourg, Malta, Poland, Slovakia and Sweden¹. Recruitment will however remain strictly based on the merits of all applicants and no positions will be reserved for nationals of any specific Member State.

STAFF RECRUITED ON CONTRACTS

In addition to permanent officials, the European Commission offers non-permanent positions. There are two categories of non-permanent staff:

- **temporary agents** are recruited to fill vacant positions for a set amount of time or to perform highly specialised tasks.
- **contract agents** may provide additional capacity in specialised fields where an insufficient number of officials is available or carry out a number of administrative or manual tasks. They are generally recruited for fixed-term contracts (maximum 6 years in any EU Institution), but in some cases they can be offered contracts for an indefinite duration (in offices, agencies, delegations or representations).

¹ Please note that the list of underrepresented Member States may be subject to future amendment based on potential data changes over time.

Policy Officer

in DG DIGIT of the European Commission

Job title: Policy Officer

Domain: INFORMATION and COMMUNICATION TECHNOLOGIES

Where: Unit DIGIT.R.1 – “Organisation, Development & Communication”, Brussels

Function Group: FG IV

Contract Type: 3b

Express your interest until: 21.05.2026 - 12.00 (noon, Brussels time)

WE ARE

Unit R1 steers the development of DIGIT through cross-directorate change and transformation activities, strategic planning and programming, sound internal governance, inter-institutional matters, internal control and strategic communications.

The unit leads the communication of the DG, raising awareness about who DIGIT is and what we work on internally in DIGIT (internal communication), facilitating the adoption of new digital ways of working by all staff (external communication), and raising the awareness about the digital transformation efforts of the Commission with external audiences (external communication).

The unit supports Senior management in the digital transformation of DIGIT, by defining, designing, facilitating the delivery, and measuring the progress of the digital transformation efforts across DIGIT, and manages the IT Portfolio Management Office. These activities will enable the transformation of DIGIT’s internal processes, tools and culture in line with DIGIT’s objectives and priorities.

R1 also coordinates (inter)institutional relations, oversees compliance with the Internal Control requirements, coordinates the work related to the strategic planning and programming, incl. risk management, audit assignments and EMAS in DIGIT.

The communication, internal control, coordination, transformation and change management activities will ensure that DIGIT can deliver the services and support needed by customers.

WE PROPOSE

We offer a unique position to contribute to the organisational change of DIGIT and the digital transformation of DIGIT’s business processes, tools and culture in line with the DG’s objectives and priorities. The successful candidate will join a dynamic team that coordinates and supports the digital transformation activities in DIGIT, also having a strategic, bird’s-eye view and coordination role on the of the directorate’s IT landscape.

WE LOOK FOR

The successful candidate should have a good understanding of digital transformation strategies and key technologies supporting the digital transformation, understand the disciplines related to IT governance and IT service management (i.e. portfolio management, service management, enterprise and IT architecture), and demonstrate an understanding of change management approaches and techniques. The candidate should also have a sound understanding of the European Commission structure, context and policy areas; experience in digital-ready policy making is an asset. Furthermore, the candidate should have experience in programme and/or project management, to plan, execute, and monitor digital transformation projects effectively; Project Management (PM2 certification) is an asset. Very good inter-personal and communication skills are required, as well as the ability to draft quickly and clearly in English.
