

MAKE A DIFFERENCE – JOIN THE EUROPEAN COMMISSION

Do you want to help shape the future of the European Union? Make the planet greener, promote a fairer society, or support businesses and innovation across the EU? Then come and work for the European Commission where you can really make a difference!

Commission staff are a diverse group of people, who are motivated to help make Europe – and the world – a better place. They come from the 27 Member States of the European Union. Different nationalities, backgrounds, languages and cultures make the Commission a vibrant and inclusive place to work.

WE OFFER GREAT JOBS AND GREAT WORKING CONDITIONS:

- Interesting and challenging positions with plenty of opportunities for training and acquiring new skills and competencies throughout your whole career
- Opportunities to move between different policy areas throughout your career
- A package of flexible working conditions including the possibility of teleworking – we care about your work-life balance
- A competitive financial package, including comprehensive healthcare, accident and pension schemes
- A multilingual, multicultural workplace where personal and career development are strongly promoted
- Multilingual schools for your children

We recruit from a wide range of backgrounds and actively promote diversity and inclusion:

We do not only recruit political scientists and lawyers but are also looking for all kinds of profiles, including scientists, linguists, IT experts, data analysts and economists, as well as drivers and engineers.

We are committed to equal opportunities and to fostering a rich, diverse and inclusive working environment. We aim for our workforce to be representative of European society and strongly welcome applications from all qualified candidates. We actively seek to create a workplace where each staff member feels valued and respected, can give their best and can develop to their full potential.

To promote diversity and establish a geographically balanced pool of candidates, we strongly encourage applicants from Member States which are currently underrepresented in the European Commission workforce to apply. These Member States are currently Austria, the Czech

Republic, Denmark, the Netherlands, Estonia, Finland, Germany, Ireland, Latvia, Luxembourg, Malta, Poland, Slovakia and Sweden¹. Recruitment will however remain strictly based on the merits of all applicants and no positions will be reserved for nationals of any specific Member State.

STAFF RECRUITED ON CONTRACTS

In addition to permanent officials, the European Commission offers non-permanent positions. There are two categories of non-permanent staff:

- **[temporary agents](#)** are recruited to fill vacant positions for a set amount of time or to perform highly specialised tasks.
- **[contract agents](#)** may provide additional capacity in specialised fields where an insufficient number of officials is available or carry out a number of administrative or manual tasks. They are generally recruited for fixed-term contracts (maximum 6 years in any EU Institution), but in some cases they can be offered contracts for an indefinite duration (in offices, agencies, delegations or representations).

For more information on different [staff categories](#)

¹ Please note that the list of underrepresented Member States may be subject to future amendment based on potential data changes over time.

Policy officer

in DG HERA of the European Commission

Job title: Policy officer – Medical Counter Measures intelligence and innovation

Domain: Health

Where: Unit HERA.04, Threats & MCM Intelligence, Innovation & Funding, Brussels

Function Group: FG IV

Contract Type: 3b

Express your interest until: 09.06.2026 - 12.00 (noon, Brussels time)

WE ARE

We are Health Emergency Preparedness and Response Authority (HERA) -a relatively new Directorate-General of the European Commission. HERA 's mission is to assist the Commission to improve preparedness and response to serious cross-border threats in the area of medical countermeasures, in particular:

- strengthening health security coordination within the Union involving all relevant actors during preparedness and crisis response times and bringing together the EU Member States, industry and relevant stakeholders in a common effort;
- addressing vulnerabilities and strategic dependencies within the Union related to the development, production, procurement, stockpiling and distribution of medical countermeasures;
- contributing to reinforcing the global health emergency response architecture.

HERA is responsible for the following tasks which shall be exercised in close cooperation with the Member States:

- assessment of health threats and intelligence gathering relevant to medical countermeasures;
- promoting advanced research and development of medical countermeasures and related technologies;
- addressing market challenges and boosting the Union's open strategic autonomy in medical countermeasures production;
- swift procurement and distribution of medical countermeasures;
- increasing stockpiling capacity of medical countermeasures;
- strengthening knowledge and skills in preparedness and response related to medical countermeasures.

HERA.04 is the Unit in charge of Intelligence Gathering, Innovation and Funding. The unit lays the foundations for structured and targeted pandemic preparedness and response planning in area of medical countermeasures (MCM) by developing and strengthening intelligence gathering systems and activities, including identifying, assessing and addressing serious cross-border health threats.

To this end, this unit aims to promote research, innovation and development of medical countermeasures able to prevent, detect, and rapidly respond to health emergencies.

HERA's website: https://ec.europa.eu/health/hera/overview_en

WE PROPOSE

The job is about strengthening of the intelligence gathering activities and supporting innovation with regard to medical countermeasures, in particular diagnostics. This includes contributing to the identification of early warning signals of health threats and relevant MCM either on the market and in the pipeline that, analysis of potential scenarios, including with artificial intelligence, where HERA would need to prepare or respond and designing of interventions that strengthen MCM availability and accessibility. These tasks will be exercised by actively seeking and assessing information received from stakeholders on health threats, innovative or existing products as well as researching how innovation and access to MCM is supported in HERA-like organisations within the EU and global level. The job will be focused in high priority threats for HERA namely respiratory diseases such as avian flu and vector borne diseases, but also support other related areas such as biosecurity.

WE LOOK FOR

We are looking for a highly motivated and skilled colleague to join our team. As a policy officer, you will play a critical role in supporting the intelligence gathering and innovation functions ensuring that MCM relevant, and in particular diagnostics for preparedness and response to health crisis can be available and accessible. The job requires ideally a combination of scientific and policy background and experience. Excellent communication skills both oral and written in English are essential. It will be key to have the ability to understand the health crisis and preparedness domain related to the priority threats of HERA and biosecurity and translate MCM needs into policy recommendations for decision making to support availability and accessibility of MCM including in relation to funding.

The candidate should have the following skills:

- Prior experience and/or sound understanding of health threats and/or biosecurity
- Prior experience on MCM path to market, including vaccines, therapeutics, diagnostics, medical devices and personal protective equipment.
- Understanding the processes of data collection and analysis in relation to health threats and medical countermeasures, including through the use of AI
- Excellent organizational and time management skills, with the ability to handle multiple tasks and priorities.
- Problem solving and an ability to get things done, as well as a good eye for detail.
- Communication and interpersonal skills, with the ability to work collaboratively in a team environment.

HOW TO EXPRESS YOUR INTEREST?

(Reference: Call for interest EC/2026/HERA/401421)

With a view to guaranteeing equal access to all, the Commission recruits from an open database of spontaneous applications. The present call for interests aims at helping the recruiters to identify potentially interested candidates within this database.

In practice, to express your interest, please follow the subsequent two steps:

1. If you are not registered yet in the open EPSO database, please do so at the following address: [CAST Permanent](#). Please select under selection procedures for contract agent the CAST permanent profile that best suits your education and experience.
2. You should send your documents in a single pdf in the following order:
 1. your CV
 2. completed application form.

Please send these documents by the publication deadline to Ana.BURGOS-GUTIERREZ@ec.europa.eu and HERA-HR-CORRESPONDENT@ec.europa.eu indicating the call for interest reference **EC/2026/HERA/401421** and **your CAST Number** in the subject.

No applications will be accepted after the publication deadline.

ANNEX

1. Selection

➤ Am I eligible to apply?

You must meet the following eligibility criteria when you validate your application:

Our rules provide that you can only be recruited as a contract agent at the European Commission if you:

General criteria:

- Are a citizen of a Member State of the EU and enjoy full rights as a citizen;
- Have fulfilled any obligations imposed by applicable laws concerning military service;
- Are physically fit to perform the duties linked to the position;
- Produce the appropriate character references as to suitability for the performance of the duties.
- Have passed an EPSO CAST in the relevant Function Group for this position. At the stage of the application, it is sufficient to be registered in the [EPSO CAST](#) data base.

Qualifications:

- (a) Have a level of education which corresponds to completed university studies of at least three years attested by a diploma.

Only qualifications issued or recognised as equivalent by EU Member State authorities (e.g. by the Ministry of Education) will be accepted.

Languages:

- have a thorough knowledge (minimum level C1) of one of the 24 official languages of the EU²
- AND have a satisfactory knowledge (minimum level B2)³ of a second official language of the EU, to the extent necessary for the performance of the duties.

➤ What about the selection steps?

The selecting unit chooses from [the EPSO database](#)⁴ candidates with the appropriate profile and invites them to an interview. For the interview a selection panel is set-up to assess the best

² The official languages of the European Union are: BG (Bulgarian), CS (Czech), DA (Danish), DE (German), EL (Greek), EN (English), ES (Spanish), ET (Estonian), FI (Finnish), FR (French), GA (Irish), HR (Croatian), HU (Hungarian), IT (Italian), LT (Lithuanian), LV (Latvian), MT (Maltese), NL (Dutch), PL (Polish), PT (Portuguese), RO (Romanian), SK (Slovak), SL (Slovenian), SV (Swedish).

³ For details on language levels, please see the Common European Framework of Reference for Languages (<https://europass.cedefop.europa.eu/en/resources/european-language-levels-cefr>).

candidates. **Due to the large volume of applications that we may receive only candidates selected for the interview will be notified.**

For operational reasons and in order to complete the selection procedure as quickly as possible in the interest of the candidates and of the institution, the selection procedure will be carried out in English and possibly in a second official language.

⁴ Therefore, candidates who did not pass already a CAST on the level Function Group [IV], should register their profile at this address: <https://eu-careers.europa.eu/en/Cast-Permanent>

2. Recruitment

The candidate selected for recruitment will be requested to provide documentary evidence in support of the statements made in the database and, where relevant, the call for interest.

The successful candidate will be required to undergo a mandatory pre-recruitment medical check-up carried out by the Commission.

➤ Type of contract and working conditions

The place of employment will be in **Brussels**.

The successful candidate will be engaged as a **contract agent under Article 3(b) of the [Conditions of Employment of Other Servants](#), in function group FG IV**. General information on Contract Agents can be found at this link.

The grade or proposed grade range, as well as the step in that grade, will be defined on the basis of the candidates' previous professional experience, in accordance with [Commission Decision C\(2017\)6760](#) laying down the criteria applicable to classification in step on engagement.

The duration of the **first contract will be 1 year**. Subject to the interest of the service, the contract may be renewed one or more times up to a maximum duration of 6 years.

The duration of the renewal(s) will be defined according to the General Implementing Rules in force at that moment (currently, [Commission Decision C\(2017\)6760](#) on policies for the engagement and use of contract agents).

Contract agents recruited in Function Group IV have to successfully complete a 9-month probationary period.

The pay of staff members consists of a basic salary supplemented with specific allowances, including, where applicable, expatriation and family allowances. The provisions guiding the calculation of these allowances can be consulted in the Conditions of Employment of Other Servants. As a member of staff of the European institutions, your pay is subject to a tax raised by those institutions.

The European Commission applies a policy of equal opportunities and non-discrimination in accordance with Article 1d of the Staff Regulations.

Should you need further information on working conditions, please refer to [Working conditions and benefits of EU Careers](#).

For information related to Data Protection, please see the Specific [Privacy Statement](#) under “7. Information to data subjects on their rights”, to find your rights and how to exercise them in addition to the privacy statement, which summarises the processing of your data.
