- **temporary agents** are recruited to fill vacant positions for a set amount of time or to perform highly specialised tasks.
- **contract agents** may provide additional capacity in specialised fields where an insufficient number of officials is available or carry out a number of administrative or manual tasks. They are generally recruited for fixed-term contracts (maximum 6 years in any EU Institution), but in some cases they can be offered contracts for an indefinite duration (in offices, agencies, delegations or representations).
