

MAKE A DIFFERENCE – JOIN THE EUROPEAN COMMISSION

Do you want to help shape the future of the European Union? Make the planet greener, promote a fairer society, or support businesses and innovation across the EU? Then come and work for the European Commission where you can really make a difference!

Commission staff are a diverse group of people, who are motivated to help make Europe – and the world – a better place. They come from the 27 Member States of the European Union. Different nationalities, backgrounds, languages and cultures make the Commission a vibrant and inclusive place to work.

WE OFFER GREAT JOBS AND GREAT WORKING CONDITIONS:

- Interesting and challenging positions with plenty of opportunities for training and acquiring new skills and competencies throughout your whole career
- Opportunities to move between different policy areas throughout your career
- A package of flexible working conditions including the possibility of teleworking – we care about your work-life balance
- A competitive financial package, including comprehensive healthcare, accident and pension schemes
- A multilingual, multicultural workplace where personal and career development are strongly promoted
- Multilingual schools for your children

We recruit from a wide range of backgrounds and actively promote diversity and inclusion:

We do not only recruit political scientists and lawyers but are also looking for all kinds of profiles, including scientists, linguists, IT experts, data analysts and economists, as well as drivers and engineers.

We are committed to equal opportunities and to fostering a rich, diverse and inclusive working environment. We aim for our workforce to be representative of European society and strongly welcome applications from all qualified candidates. We actively seek to create a workplace where each staff member feels valued and respected, can give their best and can develop to their full potential.

To promote diversity and establish a geographically balanced pool of candidates, we strongly encourage applicants from Member States which are currently underrepresented in the European Commission workforce to apply. These Member States are currently Austria, the Czech Republic, Denmark, the Netherlands, Estonia, Finland, Germany, Ireland, Latvia, Luxembourg, Malta, Poland, Slovakia and Sweden¹. Recruitment will however remain strictly based on the merits of all applicants and no positions will be reserved for nationals of any specific Member State.

STAFF RECRUITED ON CONTRACTS

In addition to permanent officials, the European Commission offers non-permanent positions. There are two categories of non-permanent staff:

- **[temporary agents](#)** are recruited to fill vacant positions for a set amount of time or to perform highly specialised tasks.
- **[contract agents](#)** may provide additional capacity in specialised fields where an insufficient number of officials is available or carry out a number of administrative or manual tasks. They are generally recruited for fixed-term contracts (maximum 6 years in any EU Institution), but in some cases they can be offered contracts for an indefinite duration (in offices, agencies, delegations or representations).

Policy Assistant

in DG TAXUD of the European Commission

Job title*: Policy Assistant

Domain:** European Policy

Where: Unit TAXUD.C.2 – CBAM, Energy and Green Taxation, Brussels

Function Group: FG III

Contract Type: 3b

Express your interest until: 08/08/2026 – 12.00 (noon, Brussels time)

WE ARE

The Directorate General Customs and Taxation (DG TAXUD) mission is to promote fair and sustainable policies that generate revenue for the EU and its Member States and ensure that EU citizens and businesses benefit from global trade and a safe and secure Single Market protected at its borders.

Within DG TAXUD, Directorate C is developing an overall policy in the area of indirect taxation, including financial sector taxation as well as environmental, transport and energy taxation, VAT, excise duties and tax administration. It is also responsible for developing and implementing the Carbon Border Adjustment Mechanism and tax initiatives included in the European Green Deal. The Directorate includes 85 staff with a good mix of officials, temporary and contract agents and national experts.

Unit C2 is responsible for developing and implementing two important EU legislations in the European Green Deal and part of the Fit for 55: the Carbon Border Adjustment Mechanism (CBAM) and the review of the Energy Taxation Directive.

The unit is also responsible for developing and following up both legislative and non-legislative initiatives at EU level on indirect green taxation, which provide a genuine single market framework and contribution to environmental goals. This includes notably environmental and transport taxation. Finally, the unit is also responsible of the infringements related to those taxes.

The team involved in CBAM is relatively recent and fast growing. The team is made up of motivated colleagues with very different backgrounds in the area of climate, environmental, trade and international relation policies

WE PROPOSE

TAXUD.C.2 is seeking to hire one policy assistant with knowledge in science or engineering in relation to industrial processes.

The overall purpose is to provide operational and technical support for the design and implementation of industrial aspects of the Carbon Border Adjustment Mechanism (CBAM). The candidate is expected to assist in the preparation, analysis and implementation of the files, including the provision of background research, technical input, and administrative support. The files include the CBAM Regulation as well as implementing acts such as on the default values, the free allocation adjustment and the methodology for determining emissions in CBAM goods. The job entails continuous interactions and cooperation with other units in TAXUD and other Commission services, as well as with industry stakeholders.

Tasks include:

- Analysis of technical issues
- Drafting of notes, briefings, summaries and policy papers
- Contribution to the drafting of technical aspects of legislation
- Contribution to guidance and Q&A documents
- Replies to stakeholder requests
- Organisation of meetings

WE LOOK FOR

TAXUD.C.2 is seeking to hire one policy assistant with knowledge in science or engineering in relation to industrial processes.

- Good knowledge of and experience in EU environmental, climate and energy policies is an asset.
- Good knowledge of and experience in the EU Emissions Trading System (EU ETS) or of the CBAM is a strong asset.
- Good knowledge of and experience in industrial processes in one of the CBAM sectors is a strong asset (e.g. understanding of the production steps, origin of emissions and techniques to reduce emissions)
- Good knowledge of and experience in technical implementation issues related to the EU ETS or the CBAM (e.g. monitoring, reporting and verification of greenhouse gas emissions, free allocation) is a very strong asset.

Good analytical and drafting skills, strong organisational and communication skills, as well as the ability to work with minimum supervision and meeting deadlines are necessary. Given the political sensitivity and the complexity of the tasks, excellent written and oral communication in English is required. Experience and a good knowledge of informatics tools would be considered an advantage.

DG TAXUD promotes a spirit of entrepreneurship and initiative, needed for this post. We are a very active team, and we look for a colleague enjoying working in a team with other experienced colleagues from different cultural and linguistic backgrounds. Candidates should be ready to join a fast growing and versatile team and to work closely with new colleagues in other units in TAXUD and in the Commission.
