

MAKE A DIFFERENCE – JOIN THE EUROPEAN COMMISSION

Do you want to help shape the future of the European Union? Make the planet greener, promote a fairer society, or support businesses and innovation across the EU? Then come and work for the European Commission where you can really make a difference!

Commission staff are a diverse group of people, who are motivated to help make Europe – and the world – a better place. They come from the 27 Member States of the European Union. Different nationalities, backgrounds, languages and cultures make the Commission a vibrant and inclusive place to work.

WE OFFER GREAT JOBS AND GREAT WORKING CONDITIONS:

- Interesting and challenging jobs with plenty of opportunities for training and acquiring new skills and competencies throughout your whole career
- Opportunities to move between different policy areas throughout your career
- A package of flexible working conditions including the possibility of teleworking – we care about your work-life balance
- A competitive financial package, including comprehensive healthcare, accident and pension schemes
- A multilingual, multicultural workplace where personal and career development are strongly promoted
- Multilingual schools for your children

We recruit from a wide range of backgrounds and actively promote diversity and inclusion:

We do not only recruit political scientists and lawyers but are also looking for all kinds of profiles, including scientists, linguists, IT experts, data analysts and economists, as well as drivers and engineers.

We are committed to equal opportunities and to fostering a rich, diverse and inclusive working environment. We aim for our workforce to be representative of European society and strongly welcome applications from all qualified candidates. We actively seek to create a workplace where each staff member feels valued and respected, can give their best and can develop to their full potential.

To promote diversity and establish a geographically balanced pool of candidates, we strongly encourage applicants from Member States which are currently underrepresented in the European Commission workforce to apply. These Member States are currently Austria, the Czech Republic, Denmark, the Netherlands, Estonia, Finland, Germany, Ireland, Latvia, Luxembourg, Malta, Poland, Slovakia and Sweden¹. Recruitment will however remain strictly based on the merits of all applicants and no positions will be reserved for nationals of any specific Member State.

STAFF RECRUITED ON CONTRACTS

In addition to permanent officials, the European Commission offers non-permanent positions. There are two categories of non-permanent staff:

- [temporary agents](#) are recruited to fill vacant positions for a set amount of time or to perform highly specialised tasks.
- [contract agents](#) may provide additional capacity in specialised fields where an insufficient number of officials is available or carry out a number of administrative or manual tasks. They are generally recruited for fixed-term contracts (maximum 6 years in any EU Institution), but in some cases they can be offered contracts for an indefinite duration (in offices, agencies, delegations or representations).

The successful candidate will be responsible for, among other things:

- Developing, implementing, and maintaining OIL’s IT solutions and ensuring their operational effectiveness;
- Participate in pilots/proof of concepts in the realm of BIM and DigitalTwins;
- Providing L2/L3 assistance and support to business teams as well as end users of OIL’s IT solutions;
- Contributing to the Office’s digital transformation initiatives, particularly in connection with the digitalisation of the JMO2 building.

This position is part of the “IT Solutions Delivery” team within Unit OIL.02 and requires close collaboration with the relevant Head of Sector, team members, OIL services, IT solution providers, users, and both internal and external stakeholders.

The selected candidate will join a motivated and committed team, working in a positive and collaborative environment.

WE LOOK FOR

OIL.02 is seeking a discreet, autonomous, and proactive colleague with at least five years of relevant professional experience related to the nature of the position.

The ideal candidate should demonstrate:

- Sound knowledge of IT quality standards, IT service delivery standards, information security, and IT governance best practices;
- Strong analytical and problem-solving skills, with the ability to prioritize tasks and adhere to established procedures and processes;
- A good understanding of web technologies and software architecture (including cloud), as well as the ability to contribute to digital transformation projects;
- Experience in BIM, DigitalTwins is a strong asset;
- Experience in solution and systems architecture and design;
- Experience in Single-Sign on solutions and protocols;
- Experience in integration of systems via APIs (REST);
- Experience in the implementation and lifecycle management of digital solutions and services, applying ITIL methodology;
- Knowledge of user-centred design principles;
- Experience in user assistance and support services;
- Experience with cloud technologies and related processes;
- Experience in Agile project management.

Excellent command of French and English, both written and spoken, is required.
