

MAKE A DIFFERENCE – JOIN THE EUROPEAN COMMISSION

Do you want to help shape the future of the European Union? Make the planet greener, promote a fairer society, or support businesses and innovation across the EU? Then come and work for the European Commission where you can really make a difference!

Commission staff are a diverse group of people, who are motivated to help make Europe – and the world – a better place. They come from the 27 Member States of the European Union. Different nationalities, backgrounds, languages and cultures make the Commission a vibrant and inclusive place to work.

WE OFFER GREAT JOBS AND GREAT WORKING CONDITIONS:

- Interesting and challenging positions with plenty of opportunities for training and acquiring new skills and competencies throughout your whole career
- Opportunities to move between different policy areas throughout your career
- A package of flexible working conditions including the possibility of teleworking – we care about your work-life balance
- A competitive financial package, including comprehensive healthcare, accident and pension schemes
- A multilingual, multicultural workplace where personal and career development are strongly promoted
- Multilingual schools for your children

We recruit from a wide range of backgrounds and actively promote diversity and inclusion:

We do not only recruit political scientists and lawyers but are also looking for all kinds of profiles, including scientists, linguists, IT experts, data analysts and economists, as well as drivers and engineers.

We are committed to equal opportunities and to fostering a rich, diverse and inclusive working environment. We aim for our workforce to be representative of European society and strongly welcome applications from all qualified candidates. We actively seek to create a workplace where each staff member feels valued and respected, can give their best and can develop to their full potential.

To promote diversity and establish a geographically balanced pool of candidates, we strongly encourage applicants from Member States which are currently underrepresented in the European Commission workforce to apply. These Member States are currently Austria, the Czech

Republic, Denmark, the Netherlands, Estonia, Finland, Germany, Ireland, Latvia, Luxembourg, Malta, Poland, Slovakia and Sweden¹. Recruitment will however remain strictly based on the merits of all applicants and no positions will be reserved for nationals of any specific Member State.

STAFF RECRUITED ON CONTRACTS

In addition to permanent officials, the European Commission offers non-permanent positions. There are two categories of non-permanent staff:

- [temporary agents](#) are recruited to fill vacant positions for a set amount of time or to perform highly specialised tasks.
- [contract agents](#) may provide additional capacity in specialised fields where an insufficient number of officials is available or carry out a number of administrative or manual tasks. They are generally recruited for fixed-term contracts (maximum 6 years in any EU Institution), but in some cases they can be offered contracts for an indefinite duration (in offices, agencies, delegations or representations).

¹ Please note that the list of underrepresented Member States may be subject to future amendment based on potential data changes over time.

Financial Officer

in DG BUDG of the European Commission

Job title: Financial Officer

Domain: BUDGET, FINANCE, CONTRACTS and ACCOUNTING

Where: Unit C.1.001 – „Treasury management“, Brussels

Function Group: FG IV

Contract Type: 3b

Express your interest until: 11.09.2026 - 12.00 (noon, Brussels time)

WE ARE

Unit BUDG.C1 (Treasury Management) is in charge of managing the Commission's treasury, as well as the treasuries of the other entities for which the Accounting Officer of the Commission is responsible, such as the European Development Fund (EDF), the European External Action Service (EEAS), EU Trust Funds and more than 30 EU agencies and bodies. The Unit receives the EU revenues: Member States contributions, inflows from EU borrowing operations and other specific sources of revenues like ETS auctioning. It assures the short-term liquidity management and payment execution for all payments of the EU budget (more than 3 million operations per year). To ensure its capacity of channelling EU payments to all beneficiaries, the Unit maintains strong relationship with multiple institutions: MS treasuries, central and commercial banks using the modern banking technologies and infrastructure. The Unit also conducts sophisticated cash forecasting activities bridging the budgetary and accounting dimensions of financial transactions. Unit BUDG.C1 also contributes to the establishment of policy instruments ensuring that their funding, cash management and payment execution profiles are efficient, fit for purpose and aligned with the EU financial governance. The latest examples include among others Next Generation EU payment execution flows, operational management of the Common Provisioning Fund, RePowerEU, the Innovation Fund or the Social Climate Fund. Thanks to its core role in the EU financial landscape, the Unit offers a unique opportunity to be a part of all major EU policy projects. The unit has an excellent record of achievements and a very good working atmosphere built by professional and motivated colleagues. We are proud of our culture of accountability and efficiency. The unit comprises thirty-eight staff members and is organised in three sectors.

WE PROPOSE

We propose an interesting position in the "back office" of DG BUDG's payment function and Imprest Accounts section, which comprises some 17 staff working closely together. The selected candidate will work closely with the Head of Sector and Team Leader in the delivery at the sector's objectives. The cash management and payment processes of the Commission are executed within modern and secure treasury systems and are highly automated. Bank reconciliation and payment enquiries are a key part of such processes with as main objective ensuring the correct and complete execution of each payment transaction. Bank reconciliation is largely performed automatically in ABAC/SUMMA

(SAP) while enquiries and exceptions are subject to individual treatment requiring contacts with commercial banks providing services to the EC.

Within the above context, the main tasks performed by the selected candidate will include:

- Controlling through reconciliation a group of European Commission bank accounts and others under responsibility of the EC Accounting Officer, in particular related to payments (commercial accounts).
- Ensuring the analysis of accounts, namely the registration of movements requiring an accounting entry (receipts, returned payments, costs, interests).
- Processing and monitoring returned payments (VRs) and compliance requests (LPs), as well as requests for information concerning payments from banks, beneficiaries and credit managers.
- Support the management of Treasury matters related to the External European Action Service, including interactions with the EU Delegations and the EEAS Headquarters in relation to imprest accounts and treasury operations, as well as concerning the imprest accounts held by Directorates General of the Commission.
- Support the management of imprest accounts, including account maintenance, replenishments, verification of ceilings, the opening and the closure of accounts.
- Contribute to the Treasury unit's procurement processes for banking services, from the elaboration of the procurement strategy and plan to the calls for tenders and award.
- Provide support and advice on public procurement procedures and the relevant legal framework.

WE LOOK FOR

We look for a dynamic, proactive and well-organised colleague, with a constructive team spirit. The ideal candidate should have an educational and professional background combining the finance and accounting domains. Specific knowledge of ABAC/SAP/S4HANA as well as experience in treasury or banking will be considered as strong assets. A key job requirement is to be at ease and enjoying working with figures (a very good knowledge of Excel is essential). Experience in bank reconciliation would be a distinct advantage. S/he should have the ability to work autonomously as well as within a team and have very good analytical and problem-solving skills. A sound knowledge of English (written and oral) is required. Knowledge of French would be an asset. Specific training will be organized within the team.
