

MAKE A DIFFERENCE – JOIN THE EUROPEAN COMMISSION

Do you want to help shape the future of the European Union? Make the planet greener, promote a fairer society, or support businesses and innovation across the EU? Then come and work for the European Commission where you can really make a difference!

Commission staff are a diverse group of people, who are motivated to help make Europe – and the world – a better place. They come from the 27 Member States of the European Union. Different nationalities, backgrounds, languages and cultures make the Commission a vibrant and inclusive place to work.

WE OFFER GREAT JOBS AND GREAT WORKING CONDITIONS:

- Interesting and challenging jobs with plenty of opportunities for training and acquiring new skills and competencies throughout your whole career
- Opportunities to move between different policy areas throughout your career
- A package of flexible working conditions including the possibility of teleworking – we care about your work-life balance
- A competitive financial package, including comprehensive healthcare, accident and pension schemes
- A multilingual, multicultural workplace where personal and career development are strongly promoted
- Multilingual schools for your children

We recruit from a wide range of backgrounds and actively promote diversity and inclusion:

We do not only recruit political scientists and lawyers but are also looking for all kinds of profiles, including scientists, linguists, IT experts, data analysts and economists, as well as drivers and engineers.

We are committed to equal opportunities and to fostering a rich, diverse and inclusive working environment. We aim for our workforce to be representative of European society and strongly welcome applications from all qualified candidates. We actively seek to create a workplace where each staff member feels valued and respected, can give their best and can develop to their full potential.

To promote diversity and establish a geographically balanced pool of candidates, we strongly encourage applicants from Member States which are currently underrepresented in the European Commission workforce to apply. These Member States are currently Austria, the Czech Republic, Denmark, the Netherlands, Estonia, Finland, Germany, Ireland, Latvia, Luxembourg, Malta, Poland, Slovakia and Sweden¹. Recruitment will however remain strictly based on the merits of all applicants and no positions will be reserved for nationals of any specific Member State.

STAFF RECRUITED ON CONTRACTS

In addition to permanent officials, the European Commission offers non-permanent positions. There are two categories of non-permanent staff:

- [temporary agents](#) are recruited to fill vacant positions for a set amount of time or to perform highly specialised tasks.
- [contract agents](#) may provide additional capacity in specialised fields where an insufficient number of officials is available or carry out a number of administrative or manual tasks. They are generally recruited for fixed-term contracts (maximum 6 years in any EU Institution), but in some cases they can be offered contracts for an indefinite duration (in offices, agencies, delegations or representations).

IT Service Officer – Identity Provisioning

Directorate-General for Digital Services (DIGIT) of the European Commission

Selection reference: DIGIT/COM/2026/714

Domain: Information Technology

Where: Unit DIGIT.B.3 – „Digital Trust“, Luxembourg

Staff category and Function Group: Temporary agent 2b – Administrator

Grade range: AD5-7

Publication deadline: 17.08.2026 - 12.00 (Brussels time)

WE AR

The Unit is responsible for delivering and operating core digital services that enable secure and efficient exchange of information across the European Commission and beyond. Its mission is to support trusted digital interactions by providing reliable, scalable and secure solutions for authentication, authorisation, electronic signature and secure document exchange.

The Unit develops and operates key services such as EU Login, EU Access, EU Sign and EU Send, supporting EU institutions, bodies and agencies (EUIBAs), as well as public and private sector stakeholders. These services underpin a wide range of digital public services requiring high levels of security, interoperability and availability.

By ensuring high standards of cybersecurity, data protection and compliance, the Unit contributes to strengthening trust in the Commission's digital ecosystem and supports the evolution of European digital public infrastructure.

WE PROPOSE

We propose a position of IT Service Officer responsible for the governance and evolution of the Commission's identity provisioning services, supporting the user lifecycle and access provisioning across corporate systems.

The jobholder will act as service owner for key provisioning solutions (e.g. CUD, MOSAIC, EUDS), ensuring their reliability, performance and alignment with DIGIT's strategy and the Commission's digital identity landscape. The role combines service ownership, project coordination and stakeholder management, with a strong focus on delivering secure, scalable and efficient provisioning services.

The jobholder will define and steer the service roadmap, coordinate the delivery of projects and improvements, and ensure the quality and consistency of the services. The position involves close collaboration with project teams, architects, operations and security experts, as well as with a wide

range of stakeholders relying on these services.

In addition, the role contributes to the delivery of Digital Identity initiatives in close cooperation with the programme manager and leads the coordination of project management practices across the sector (PMO), promoting harmonisation, efficiency and coherence in project delivery.

The offered post is located in Luxembourg.

WE LOOK FOR

We are looking for a motivated colleague with a strong interest in digital identity and identity provisioning services, capable of operating at the intersection of business needs, technology and service delivery.

The ideal candidate has:

- Experience in IT service management, service ownership or coordination of complex IT systems;
- Good understanding of Identity and Access Management concepts, in particular user lifecycle and access provisioning;
- Experience in project coordination and delivery in a multi-stakeholder environment;
- Ability to translate stakeholder needs into service requirements and priorities;
- Experience in project management methodologies and governance (PMO-related activities);
- Strong analytical, organisational and problem-solving skills;
- Excellent communication skills and ability to engage with diverse stakeholders;
- Ability to work autonomously while contributing to a collaborative team environment.

The working language of the Unit is predominantly English, and a very good knowledge of English is required for the position.

The following would be considered an advantage:

- Experience with identity provisioning or Identity and Access Management systems (e.g. user lifecycle and access provisioning solutions);
- Knowledge of European digital identity initiatives (eIDAS, European Digital Identity Wallet, etc.);
- Familiarity with cybersecurity principles and identity governance concepts.

HOW TO EXPRESS YOUR INTEREST?

You should send your documents in a single pdf in the following order:

1. your CV
2. completed application form.

Please send these documents by the publication deadline to DIGIT-B3@ec.europa.eu indicating the selection reference DIGIT/COM/2026/714 in the subject.

No applications will be accepted after the publication deadline.
