

MAKE A DIFFERENCE – JOIN THE EUROPEAN COMMISSION

Do you want to help shape the future of the European Union? Make the planet greener, promote a fairer society, or support businesses and innovation across the EU? Then come and work for the European Commission where you can really make a difference!

Commission staff are a diverse group of people, who are motivated to help make Europe – and the world – a better place. They come from the 27 Member States of the European Union. Different nationalities, backgrounds, languages and cultures make the Commission a vibrant and inclusive place to work.

WE OFFER GREAT JOBS AND GREAT WORKING CONDITIONS:

- Interesting and challenging jobs with plenty of opportunities for training and acquiring new skills and competencies throughout your whole career
- Opportunities to move between different policy areas throughout your career
- A package of flexible working conditions including the possibility of teleworking – we care about your work-life balance
- A competitive financial package, including comprehensive healthcare, accident and pension schemes
- A multilingual, multicultural workplace where personal and career development are strongly promoted
- Multilingual schools for your children

We recruit from a wide range of backgrounds and actively promote diversity and inclusion:

We do not only recruit political scientists and lawyers but are also looking for all kinds of profiles, including scientists, linguists, IT experts, data analysts and economists, as well as drivers and engineers.

We are committed to equal opportunities and to fostering a rich, diverse and inclusive working environment. We aim for our workforce to be representative of European society and strongly welcome applications from all qualified candidates. We actively seek to create a workplace where each staff member feels valued and respected, can give their best and can develop to their full potential.

To promote diversity and establish a geographically balanced pool of candidates, we strongly encourage applicants from Member States which are currently underrepresented in the European Commission workforce to apply. These Member States are currently Austria, the Czech Republic, Denmark, the Netherlands, Estonia, Finland, Germany, Ireland, Latvia, Luxembourg, Malta, Poland, Slovakia and Sweden¹. Recruitment will however remain strictly based on the merits of all applicants and no positions will be reserved for nationals of any specific Member State.

STAFF RECRUITED ON CONTRACTS

In addition to permanent officials, the European Commission offers non-permanent positions. There are two categories of non-permanent staff:

- [temporary agents](#) are recruited to fill vacant positions for a set amount of time or to perform highly specialised tasks.
- [contract agents](#) may provide additional capacity in specialised fields where an insufficient number of officials is available or carry out a number of administrative or manual tasks. They are generally recruited for fixed-term contracts (maximum 6 years in any EU Institution), but in some cases they can be offered contracts for an indefinite duration (in offices, agencies, delegations or representations).

Technical Assistant

Office for Infrastructure and Logistics Luxembourg of the European Union

Selection reference: OIL/COM/2026/1208

Domain: Building and supplies

Where: Unit OIL.03.001 – “General maintenance and Facility management”, Luxembourg

Staff category and Function Group: Temporary agent 2b –Assistant

Grade range: AST1-3

Publication deadline: 08.09.2026 - 12.00 (Brussels time)

WE ARE

The Office for Infrastructure and Logistics (OIL) Luxembourg is an administrative office with around 430 staff. Our main task is to provide a suitable working space in terms of comfort, safety and security and to ensure social and logistical infrastructure for all Commission staff in Luxembourg. We also provide quality services to other European institutions and bodies located in Luxembourg. Unit OIL.03 is responsible for maintenance, facility management and logistics. The unit is composed of a sector responsible for maintenance and facility management and a sector responsible for logistics services and cleaning, a team responsible for finance, leases and insurance and a team responsible for local logistics assistance.

WE PROPOSE

We are offering a position for a dynamic and motivated individual to coordinate the technical, administrative, and financial aspects of HVAC interventions related to the maintenance of buildings occupied by the European Commission in Luxembourg, and to monitor performance and results. The successful candidate will be responsible for the direct technical management of contracts of the HVAC section (OIL's contractors) and indirect management (interventions to be carried out by the building owners) in the various Commission buildings. The successful candidate will support the Head of Section in the technical supervision of contractors, the monitoring of performance and results, and will play a key role in planning activities and coordinating the section's technical interventions across HVAC, cooling systems, lifting equipment, and Building Management Systems (BMS). The successful candidate will oversee the full lifecycle of new projects, from initiation through to final acceptance, and will ensure ongoing follow-up, including the commissioning and maintenance of installations. He/she will be in contact with other OIL units, contractors and building owners and their representatives.

WE LOOK FOR

We are looking for a candidate with strong organisational and coordination skills in a technical and logistical environment, with at least 3 years of professional experience in the installation or maintenance of HVAC equipment as well as in contracts and/or project management in the above mentioned fields. The successful candidate should have excellent interpersonal, communication and negotiation skills. They must be able to build trust relationships with their superiors, the various sections of the unit and the various external and internal stakeholders. A good command of French and a good knowledge of German and/or English are essential. We are looking to recruit a person with strong technical analytical skills and excellent written and verbal communication abilities; they must have the ability to work as part of a team and to collaborate with the other departments involved in the projects. They must also be available to potentially cover technical standby duty (24/7), should they be called upon to carry out this task. Good technical knowledge in managing and optimising energy consumption will be considered a major advantage.

HOW TO EXPRESS YOUR INTEREST?

You should send your documents in a single pdf in the following order:

1. your CV
2. completed application form.

Please send these documents by the publication deadline to OIL-03-EXTERNAL-APPLICATIONS@ec.europa.eu indicating the selection reference **OIL/COM/2026/1208** in the subject.

No applications will be accepted after the publication deadline.

ANNEX

1. Selection

➤ Am I eligible to apply?

You must meet the following eligibility criteria when you validate your application:

Our rules provide that you can only be recruited as a temporary agent at the European Commission if you:
