

MAKE A DIFFERENCE – JOIN THE EUROPEAN COMMISSION

Do you want to help shape the future of the European Union? Make the planet greener, promote a fairer society, or support businesses and innovation across the EU? Then come and work for the European Commission where you can really make a difference!

Commission staff are a diverse group of people, who are motivated to help make Europe – and the world – a better place. They come from the 27 Member States of the European Union. Different nationalities, backgrounds, languages and cultures make the Commission a vibrant and inclusive place to work.

WE OFFER GREAT JOBS AND GREAT WORKING CONDITIONS:

- Interesting and challenging jobs with plenty of opportunities for training and acquiring new skills and competencies throughout your whole career
- Opportunities to move between different policy areas throughout your career
- A package of flexible working conditions including the possibility of teleworking – we care about your work-life balance
- A competitive financial package, including comprehensive healthcare, accident and pension schemes
- A multilingual, multicultural workplace where personal and career development are strongly promoted
- Multilingual schools for your children

We recruit from a wide range of backgrounds and actively promote diversity and inclusion:

We do not only recruit political scientists and lawyers but are also looking for all kinds of profiles, including scientists, linguists, IT experts, data analysts and economists, as well as drivers and engineers.

We are committed to equal opportunities and to fostering a rich, diverse and inclusive working environment. We aim for our workforce to be representative of European society and strongly welcome applications from all qualified candidates. We actively seek to create a workplace where each staff member feels valued and respected, can give their best and can develop to their full potential.

To promote diversity and establish a geographically balanced pool of candidates, we strongly encourage applicants from Member States which are currently underrepresented in the European Commission workforce to apply. These Member States are currently Austria, the Czech Republic, Denmark, the Netherlands, Estonia, Finland, Germany, Ireland, Latvia, Luxembourg, Malta, Poland, Slovakia and Sweden¹. Recruitment will however remain strictly based on the merits of all applicants and no positions will be reserved for nationals of any specific Member State.

STAFF RECRUITED ON CONTRACTS

In addition to permanent officials, the European Commission offers non-permanent positions. There are two categories of non-permanent staff:

- [**temporary agents**](#) are recruited to fill vacant positions for a set amount of time or to perform highly specialised tasks.
- [**contract agents**](#) may provide additional capacity in specialised fields where an insufficient number of officials is available or carry out a number of administrative or manual tasks. They are generally recruited for fixed-term contracts (maximum 6 years in any EU Institution), but in some cases they can be offered contracts for an indefinite duration (in offices, agencies, delegations or representations).

¹ Please note that the list of underrepresented Member States may be subject to future amendment based on potential data changes over time.

ECONOMIC ANALYST

Directorate-General BUDG.01 (DG BUDGET) of the European Commission

Selection reference: BUDG/COM/2026/1577

Domain*: BUDGET and FINANCE

Where: Unit BUDG.01.001- Budget performance and data analysis (Chief Economist and Coordination Unit), Brussels

Staff category and Function Group: Temporary agent 2b – Administrator

Grade range: AD5-7

Publication deadline: 21/09/2026 - 12.00 (Brussels time)

WE ARE

Unit BUDG.01 provides the economic evidence base in support of policy design and implementation of the various dimensions of the EU budget. The unit promotes quality of the Union public finances with comprehensive assessments of performance and economic impact of programmes, revenues, financial instruments and long-term budgetary sustainability. The unit advises and coordinates on overall strategy, cross-DG policy development and outreach to institutional and specialised stakeholders.

The unit is responsible for the overall briefing and legislative coordination, access-to-document requests, strategic planning and programming. It also ensures inter-institutional relations in liaison with other DGs and BUDG directorates.

The unit is structured in two sectors 'Performance and data analysis' and 'Coordination, economic analysis and sustainability'.

The Head of Unit01 also holds the role of Chief Economist.

WE PROPOSE

A position as Economist / Data Scientist. The successful candidate will perform advanced economic and quantitative analyses, develop and apply statistical, econometric and data science methodologies, transform complex data into actionable policy insights, contribute to the assessment of budgetary sustainability and economic developments, and support policy design through evidence-based analysis. The successful candidate will also be responsible of the macroeconomic assessment of budget support to third countries, including Ukraine, and its monitoring.

WE LOOK FOR

We are looking for a highly motivated, dynamic, reliable, well-organised and detail-oriented professional with a strong quantitative background and a high standard of professional and technical competence. The successful candidate should combine excellent analytical and problem-solving skills with the ability to communicate complex quantitative findings clearly to both technical and non-technical audiences. They should be able to work effectively in a multidisciplinary team, demonstrate initiative, and exercise sound professional judgment.

The successful candidate should have:

- Proven professional experience in applied economics, quantitative analysis, data science, econometrics, or a related analytical field.
- Strong expertise in statistical analysis, data modelling, econometric methods, and the interpretation of complex datasets to support evidence-based policymaking.
- Experience in analysing large and diverse datasets using appropriate statistical and programming tools (e.g. R, Python, SQL or equivalent) and proved knowledge of PowerBI.
- Knowledge of EU budgetary data and data sources.
- Ability to develop robust analytical frameworks, assess complex economic and policy issues, and formulate sound, data-driven conclusions and recommendations.
- A strong motivation to contribute to the work of the Chief Economist team, with a continuous learning mindset and willingness to further develop quantitative and analytical expertise.
- Excellent written and oral communication skills in English, including the ability to present complex analytical results in a clear, concise and accessible manner.
- Good knowledge and understanding of EU economic policies, public finances, and the Union budget would be an asset.
- Experience with the implementation and/or assessment of performance-based instruments (e.g. Ukraine Facility, Recovery and Resilience Facility) would be an asset.
