

MAKE A DIFFERENCE – JOIN THE EUROPEAN COMMISSION

Do you want to help shape the future of the European Union? Make the planet greener, promote a fairer society, or support businesses and innovation across the EU? Then come and work for the European Commission where you can really make a difference!

Commission staff are a diverse group of people, who are motivated to help make Europe – and the world – a better place. They come from the 27 Member States of the European Union. Different nationalities, backgrounds, languages and cultures make the Commission a vibrant and inclusive place to work.

WE OFFER GREAT JOBS AND GREAT WORKING CONDITIONS:

- Interesting and challenging jobs with plenty of opportunities for training and acquiring new skills and competencies throughout your whole career
- Opportunities to move between different policy areas throughout your career
- A package of flexible working conditions including the possibility of teleworking – we care about your work-life balance
- A competitive financial package, including comprehensive healthcare, accident and pension schemes
- A multilingual, multicultural workplace where personal and career development are strongly promoted
- Multilingual schools for your children

We recruit from a wide range of backgrounds and actively promote diversity and inclusion:

We do not only recruit political scientists and lawyers but are also looking for all kinds of profiles, including scientists, linguists, IT experts, data analysts and economists, as well as drivers and engineers.

We are committed to equal opportunities and to fostering a rich, diverse and inclusive working environment. We aim for our workforce to be representative of European society and strongly welcome applications from all qualified candidates. We actively seek to create a workplace where each staff member feels valued and respected, can give their best and can develop to their full potential.

To promote diversity and establish a geographically balanced pool of candidates, we strongly encourage applicants from Member States which are currently underrepresented in the European Commission workforce to apply. These Member States are currently Austria, the Czech Republic, Denmark, the Netherlands, Estonia, Finland, Germany, Ireland, Latvia, Luxembourg, Malta, Poland, Slovakia and Sweden¹. Recruitment will however remain strictly based on the merits of all applicants and no positions will be reserved for nationals of any specific Member State.

STAFF RECRUITED ON CONTRACTS

In addition to permanent officials, the European Commission offers non-permanent positions. There are two categories of non-permanent staff:

- [**temporary agents**](#) are recruited to fill vacant positions for a set amount of time or to perform highly specialised tasks.
- [**contract agents**](#) may provide additional capacity in specialised fields where an insufficient number of officials is available or carry out a number of administrative or manual tasks. They are generally recruited for fixed-term contracts (maximum 6 years in any EU Institution), but in some cases they can be offered contracts for an indefinite duration (in offices, agencies, delegations or representations).

Directorate-General for Human Resources and Security (DG HR) of the European Commission

Selection reference: HR/COM/2026/DS4/003 (2 vacant posts)

Domain: EU's internal and external security

Where: HR.DS.4 "Information Security & Inspections" - Team "Compliance and IT security inspections", Brussels.

Staff category and Function Group: Temporary agent 2b - Assistant

Grade range: AST1-3

Publication deadline: 29.09.2026 - 12.00 (Brussels time)

WE ARE

We are the "Information Security and Inspections" unit in the Security Directorate of the European Commission. We deal with Information Security Policy, IT security inspections, classified information protection, security clearances and screening of external contractors. We manage several communication and information systems handling sensitive non classified (CommisSign) and EU classified information (RUE-X, RTOP, SUE).

We assist the Crypto Distribution Authority of the European Commission in its duties and provide crypto custodian services for the European Commission departments and services. We operate multiple small data centres, including PKI and network infrastructure, virtualisation infrastructure and servers. We provide PKI services for 40 000 users.

We deliver trainings to 1000's of staff each year.

We are an innovative team and are constantly updating and renewing our services with new technology and improved processes, we are actively experimenting with AI to improve the quality of our service, and implementing modern IT service management solutions.

We work in small project teams, with a lot of autonomy, and a constant attention to security and novel threats and attacks. We are constantly benchmarking and testing our solutions against security standards.

WE PROPOSE

The position of a security assistant position who will be part of the security accreditation team and will contribute actively to the development of security accreditation artefacts and will perform security inspections in coordination with our in-house penetration testing team.

The security assistant will also contribute to the modernisation of the security accreditation process by implementing a new approach in line with the updated Security Notice addressing security accreditation of communication and information systems handling EU classified information.

WE LOOK FOR

We are looking for a structured, thorough and motivated colleague, comfortable with modern IT technologies and office automation tools such as Word and Excel, and able to work in a classified environment.

A good understanding of audit, inspection and CIS security accreditation processes, as well as of information security methodologies, policies and standards, would be an asset. This position offers an excellent opportunity to develop practical expertise in cybersecurity and classified information systems, while contributing directly to strengthening the security and resilience of the Institutions. It provides a strong foundation for developing a career in cybersecurity, with exposure to both technical and security governance aspects.

The security assistant must either be a holder of a valid security clearance up to the level of "SECRET UE/EU SECRET" or be willing to undergo the national security vetting procedure to obtain one.
